[The Things They Carried](#) Tim O'Brien, 1990 One of the first questions people ask about *The Things They Carried* is this Is it a novel or a collection of short stories The title page refers to the book simply as a work of fiction defying the conscientious reader's need to categorize this masterpiece It is both a collection of interrelated short pieces which ultimately reads with the dramatic force and tension of a novel Yet each one of the twenty two short pieces is written with such care emotional content and prosaic precision that it could stand on its own *The Things They Carried* depicts the men of Alpha Company Jimmy Cross Henry Dobbins Rat Kiley Mitchell Sanders Norman Bowker Kiowa and of course the character Tim O'Brien who has survived his tour in Vietnam to become a father and writer at the age of forty three They battle the enemy or maybe more the idea of the enemy and occasionally each other In their relationships we see their isolation and loneliness their rage and fear They miss their families their girlfriends and buddies they miss the lives they left back home Yet they find sympathy and kindness for strangers the old man who leads them unscathed through the mine field the girl who grieves while she dances and love for each other because in Vietnam they are the only family they have We hear the voices of the men and build images upon their dialogue The way they tell stories about others we hear them telling stories about themselves With the creative verve of the greatest fiction and the intimacy of a searing autobiography *The Things They Carried* is a testament to the men who risked their lives in America's most controversial war It is also a mirror held up to the frailty of humanity Ultimately *The Things They Carried* and its myriad protagonists call to order the courage determination and luck we all need to survive In 1979 Tim O'Brien's *Going After*

Cacciato a novel about the Vietnam War won the National Book Award In this his second work of fiction about Vietnam O'Brien's unique artistic vision is again clearly demonstrated Neither a novel nor a short story collection it is an arc of fictional episodes taking place in the childhoods of its characters in the jungles of Vietnam and back home in America two decades later War in Tim O'Brien's The Things They Carried Gary Wiener,2011-06-13 This did not happen is a common refrain throughout the stories in The Things They Carried Tim O'Brien's account of the Vietnam War purposely blurs the line between fact and fiction to get closer to the truth of what soldiers actually experienced This compelling volume explores the life of Tim O'Brien and his attempts to wrestle with the trauma and shame of war in The Things They Carried A collection of related essays explore topics such as the moral complexity of war writing as a path to spiritual redemption and the novel's portrayal of gender Contemporary perspectives on war such as the need to help soldiers suffering from PTSD and not repeating the mistakes of Vietnam are also presented **The Cambridge Companion to American Realism and Naturalism**

Donald Pizer,1995-06-30 This Companion examines a number of issues related to the terms realism and naturalism The introduction seeks both to discuss the problems in the use of these two terms in relation to late nineteenth century fiction and to describe the history of previous efforts to make the terms expressive of American writing of this period The Companion includes ten essays which fall into four categories essays on the historical context of realism and naturalism by Louis Budd and Richard Lehan essays on critical approaches to the movements since the early 1970s by Michael Anesko essays on the efforts to expand the canon of realism and naturalism by Elizabeth Ammons and a full scale discussion of ten major texts from W D Howell's The Rise of Silas Lapham to Jack London's The Call of the Wild by John W Crowley Tom Quirk J C Levenson Blanche Gelfant Barbara Hochman and Jacqueline Tavernier Courbin 30 Quotes That F*cked Me Up Lanee Higgins,2023-06-26 We often internalize the things that other people say to us But have you thought about how those words affect you in the long run Author Lanee Higgins explores 30 things people said that stuck with her throughout her life in 30 Quotes That F*cked Me Up It's a journey of healing learning regrets mistakes and authentic brutally honest reflection We truly never know when someone will say the words that will f*ck us up But as Lanee says in book that isn't always a bad thing
