The Tracey Fragments:

The Tracey Fragments Maureen Medved, 2007 Tracey Berkowitz rides a bus looking for her lost ten year old brother as she thinks about her dysfunctional parents and the schoolmates who treat her with scorn as she escapes into a fantasy about an imaginary boyfriend who will rescue her

The Tracey Fragments Maureen Medved, 1998-05-01 Naked under a tattered shower curtain fifteen year old Tracey Berkowitz has been sitting in the back of a bus for two days looking for her brother Sonny who thinks he is a dog Tracey's stories begin to twist and intertwine truth with lies absorbing the reader into the games and delusions she uses to escape her despair The Tracey Fragments is a raw moving account that immerses the reader into the labyrinth of a troubled adolescent psyche full of twists and turns fear and uncertainty trust and betrayal Maureen Medved adapted her novel into a film screenplay that was directed by acclaimed filmmaker Bruce McDonald At the Berlin Film Festival in early 2007 the motion picture won the Manfred Salzgeber Prize for an innovative film that broadens the boundaries of cinema

The Tracey Fragments, 2008 Teen angst is amped up by a nuanced performance by a pre Juno Ellen Page in The Tracey Fragments Look the other day something happened I came to certain realizations says Tracey Berkowitz played with deadpan heartbreak by Page huddled on a late night bus near the beginning of the film I can't tell you what or you'll end up like me on this bus looking for someone The scene signals a rocky ride and the film a portrait of an outcast Canadian teen struggling with bullies clueless parents unrequited love and her place in the world is wrenching and challenging Director Bruce McDonald has taken the fragments of the title literally and so the film is presented in several simultaneous screen shots at a time rarely in its duration is there simply one scene to watch as though all the different facets of Tracey are playing out at once Which of course they are Tracey is hassled at school dismissed as an it for being flat chested and treated as invisible by her parents and even her therapist Only when something dire happens may have been her responsibility does the rest of the world turn its judgmental focus on her Tracey begins a quest to leave her old life behind and try to redeem herself find and honor who she really is in the process And the film somewhat brutally takes the reader along for the ride How do you know what's real and not real when the whole world is inside your head Tracey muses on one of the buses she takes into the night It's as perfect and painful a depiction of adolescence as any film in recent memory

Tracey Fragments -Lib Maureen Medved, 2007-11-01 Naked under a tattered shower curtain 15 year old Tracey Berkowitz has been sitting on a bus for two days telling her story and looking for her brother Sonny who thinks he's a dog She confesses her hopes and fantasies as well as the grief and horror of a hardscrabble life As time passes Tracey's stories begin to twist the truth and entwine it with lies at once captivating and unsettling the reader As an unforgettable portrait of a teenager on the verge of imploding The Tracey Fragments has been compared to The Catcher in the Rye with a style similar to that of Go Ask Alice Maureen Medved's first novel is a raw moving account full of twists and turns fear and uncertainty trust and betrayal

The Tracey Fragments Andy Belanger, 2007 **Gargoyles** Bill Gaston, 2009-06-01 In this remarkable

collection Bill Gaston crafts his fiction around the idea of the gargoyle the concrete representation of extremes of human emotions This marvelous riotous Rabelaisian world contains gargoyles that are physical manifestations of the disfigurements and contortions to which human beings subject themselves Each of the collection s 12 stories has a strange and unique guardian spirit whose sometimes benevolent sometimes malevolent presence informs the characters and their actions A boy struggles with self image and the need to fit in A grieving parent tries to prevent others from making his mistake tragedy ensues A vengeful son settles a score with mom and her new lover Other stories focus on familial delight as well as discord in the lives of an over the top artist a drunken uncle and a bitter writer All show one of Canada s finest writers at the top of his form
