The U-Turn Church Kevin G. Harney,Bob Bouwer,2011-06-01 You don t need to tell pastors that the majority of churches in America are in a state of stagnation or decline Most of them are ministering in such a church Now two pastors who turned their churches around show leaders how they can help usher in a new season of health faithfulness growth and vision in their churches The U Turn Church walks readers through the roadblocks of tradition lack of vision or leadership structural problems and concerns about denominational distinctives to forge a new way forward into a hope filled future Through the stories of two churches that have experienced healthy transformation readers will see that there is not just one right way to reverse decline They will receive practical help and wisdom born of experience as they begin their own U Turn journey

Harney,Bob Bouwer,2014-05-14 Two experienced pastors who have led church turn arounds help leaders guide their churches out of decline and into a vital growing future Now in paper **Reckless Faith** Kevin G. Harney,2012-11-19 In a world where we tend to be over cautious about well nearly everything it s no surprise that our obsession with safety can carry over to how we live our faith in the world But it s always been risky to follow God and Kevin Harney believes we are missing a vital part of our faith when we play it safe In this energizing book he challenges readers to count the cost take a chance and live a reckless faith for the entire world to see With a focus on responsible recklessness Harney shows readers how to develop a faith that others notice always supported by prayer wisdom the direction of Scripture and insightful counsel from other believers He outlines how to be reckless in our love generosity service relationships prayers and speech Perfect for pastors small groups or anyone who is tired of feeling domesticated and docile this book will lead readers into a fresh devotion and dynamism in their faith Challenges of the Black Church in 21st

Century America Creigs C. Beverly,,Olivia D. Beverly,2021-08-04 This book represents not only the storms of life which the authors have experienced but also their unquenchable hope for a better tomorrow For each the Black church has been not only a source of personal valuation but it has also been the foundation upon which each has been sustained renewed and revived The authors hope that the reader of this book will also find something of personal communal and spiritual value which will assist them in maintaining hope in a world gone mad Readers will find the various roles the Black church has provided over the years along with some examples which can be replicated in twenty first century America The authors believe in the immortal words of Dr Benjamin E Mays former president of Morehouse College who said It must be borne in the mind that the tragedy in life doesn t lie in not reaching your goal The tragedy lies in having no goal to reach It isn t a calamity to die with dreams unfulfilled but it is a calamity not to dream It is not a disaster to be unable to capture your ideal but it is a disaster to have no ideal to capture It is not a disgrace not to reach the stars but it is a disgrace to have no stars to reach for Not failure but low aim is a sin God bless Creigs C Beverly PhD Olivia D Beverly PhD Books in Print ,1994
