The Unquenchable Flame Discovering The Heart Of The Reformation:

The Unquenchable Flame Michael Reeves, 2010 A lively accessible and informative introduction to key people events and themes in the Protestant Reformation suitable for university students and general readers alike

The Unquenchable Flame Michael Reeves, 2009-01-01 Unquenchable Flame Introducing the Reformation *Evangelical Pharisees* Michael Reeves, 2023-01-11 In This Follow Up to Gospel People Michael Reeves Calls Evangelicals Away from Pharisaism to True Reformation Scripture warns believers of hypocrisy called the leaven of the Pharisees and its potential to spread quickly in the church Outwardly appearing as devout religion this legalism hides destructive pride idolatry and even apostasy Unfortunately pharisaism is still a problem among evangelicals today How does Jesus instruct the church to recognize and defeat one of its deepest theological issues In this clear compelling call to spiritual reformation Michael Reeves helps believers reject pharisaism and embrace gospel integrity Studying 3 essentials of Christian doctrine that the Pharisees misunderstood their approach to Scripture understanding of salvation and disregard of regeneration Reeves shows readers how to embrace a biblical Trinitarian and creedal understanding of the gospel necessary for true reformation Explains the 3 Essential R s of the Gospel Teaches readers about revelation redemption and regeneration A Great Resource for Pastors and Congregations Addresses the threat of hypocrisy in the church and tackles in house issues from partisanship to pragmatism A Follow Up to Gospel People Reeves continues his study of timely evangelical topics

Church History for Modern Ministry Dayton Hartman, 2016-02-17 With all the pressing demands of modern ministry why make time to learn church history Is it relevant to worship and ministry today Pastor Dayton Hartman argues that church history is not old news but a vital component of a healthy ministry In *Church History for Modern Ministry* Hartman explores the importance of church history and shows how an understanding of our past can help us address contemporary issues The faithfulness discipleship and perseverance of the early church can help today s church stand firm in times of change Hartman gives us an enjoyable readable and trustworthy book in *Church History for Modern Ministry* that helps us see the theological and ministerial value of studying our history If you re a pastor you need to know church history not just for doctrinal clarity and sermon illustrations but also for your own spiritual nourishment I will be pointing pastors and aspiring pastors to this book for years to come Tony Merida founding pastor Imago Dei Church Raleigh NC For many evangelicals church history jumps from the book of Acts has a brief stopover in the Protestant Reformation and picks up in the present day In *Church History for Modern Ministry* Hartman corrects our dangerous a historical view by mining the rich history of our faith I ll be recommending this to pastors and parishioners alike It s a great way for them to meet the family they never knew they had Drew Dyck managing editor Leadership Journal author Yawning at Tigers You Can t Tame God So Stop Trying It seems to me that 95 percent of the stupid things we do as pastors could be avoided if we knew a little church history I am very happy that Dayton Hartman has written this book As both a practicing pastor and a practicing church historian he is well poised to bring the insights of our

forefathers to bear on the day to day issues that confront church leaders That Church History for Modern Ministry is both short and snarky is an added bonus Mike McKinley author contributor and speaker 9Marks senior pastor Sterling Park Baptist Church Sterling VA In this helpful book Hartman shows pastors why we should appreciate church history Every generation of Christians and pastors stands on the shoulders of those who have gone before The lessons that God taught our forebears can be very useful for ministry today Hartman helps us see how this is so and also provides practical suggestions for introducing historical insights into congregational life I recommend this book for pastors as well as other church leaders Tom Ascol PhD executive director Founders Ministries Christians in America today especially evangelicals suffer from a damaging lack of connection to the cloud of witnesses who have preceded us in Christian history I am happy to commend Dr Dayton Hartman s readable introduction to church history for pastors who will surely be the key players in teaching Christians about the riches of the church s past Thomas S Kidd PhD professor of history Baylor University Over the past decade I have taught church history to over a thousand seminarians and college students Many of them have raised questions about whether or not church history is really useful for pastors and other ministers While I make regular pastoral application in the classroom I have yet to find a good book to point students to that weds church history and practical ministry I m grateful that pastor historian Dayton Hartman has written this book it fills an important gap and answers many of the questions my students are asking I hope Church History for Modern Ministry is widely read and leads more pastors and other ministry leaders to mine the depths of Christian history for contemporary spiritual flourishing Nathan Finn PhD dean of the School of Theology and Missions Union University All pastors and Christian teachers can greatly benefit from a solid knowledge of church history And the best place to start is with Dayton Hartman s book Church History for Modern Ministry This helpful book presents the key content of church history in a clear concise and careful manner Yet the book is also distinct in reflecting careful theological ideas in a readable and sometimes humorous way I endorse this book and its author to all readers Kenneth R Samples senior research scholar Reasons to Believe Church History for Modern Ministry is a lighthearted yet serious look into the value of Christian history for contemporary ministry Knowing the past helps ministers respond to future events with practical wisdom and theological depth Hartman frames historical and theological developments with the expertise of a historian and the disposition of a pastor while introducing us to saints of old along the way Walter Strickland II special advisor to the president for diversity instructor of theology Southeastern Baptist Theological Seminary Cloaked in skinny jeans coiffed with a faux hawk and possessed by a sense of humor and engaging style Dayton Hartman invites his tribe pastors to visit the foreign country that is the church s past An able guide Hartman gives an introductory tour that will surely inspire his group to visit again and again and to appreciate value and dialogue with church history as they press on to lead the people of God today Edward L Smither PhD dean of the College of Intercultural Studies Columbia International University author of Augustine as Mentor This book is like most of my favorite books short enjoyable

and surprisingly practical Hartman has provided an easy to read primer on the need and relevance of church history for our modern day ministry This book is anything but dry and Hartman writes in a way that is relatable refreshingly accessible and immediately helpful I was challenged by my own distance from the church of the past and encouraged to close that gap as a result of this work Read it enjoy it and put these exhortations to use for the glory of God and the good of His church Brian Davis hip hop artist God s Servant Lamp Mode Recordings pastor church planter Risen Christ Fellowship Philadelphia PA

Sola Jason K. Allen,2019-01-01 Discover why the fundamentals of the Reformation still matter today Why do people get so excited about a bunch of Latin phrases that some guys in Europe came up with 500 years ago Sure those five Latin phrases have defined Protestantism for those 500 years but why do they matter today To my church For my life What s the big deal about all these solas anyway These ones Sola scriptura Scripture alone Sola fide Faith alone Sola gratia grace alone Solus Christus Christ alone Soli Dei Gloria To the glory of God alone Sola is a winsome inspiring introduction to these five pillars of the Reformation showing not just what they are but why they re important for the Christian life today Edited and compiled by Jason Allen Sola will illuminate these core truths that have been reforming the church all along And it may just get you excited about nerdy Latin phrases too **Christianity: The Biography** Ian J. Shaw,2017-01-31 In Christianity The Biography Ian Shaw charts the story of Christianity from its birth and infancy among a handful of followers of Jesus Christ through its years of development into a global religious movement spanning continents and cultures and transcending educational and social backgrounds This new accessible overview of the global history of Christianity Narrates the story of the Christian tradition and its global heritage over two millennia Introduces the major phases developments movements and personalities Explores interactions of Christianity with the wider society Is written from within the evangelical tradition but accessible to others Presents nuanced cogent analysis that draws on the latest scholarship Nine Marks of a Healthy Church (4th Edition) Mark Dever,2021-11-10 What Makes for a Healthy Church You may have read books on this topic before but not like this one Instead of an instruction manual for church growth this classic text points to basic biblical principles for assessing and strengthening the health of your church Whether you re a pastor a leader or an involved member of your congregation studying the nine marks of a healthy church will help you cultivate new life and well being within your own church for God s glory This revised edition includes two new chapters updated material on prayer missions evangelism and the gospel and a foreword by H B Charles Jr *Luther's View of Purgatory* Min Hwan Kim,2025-07-21 This study addresses what has been a previously unexamined subject in Luther scholarship and presents how Luther re interprets the concept of purgatory in line with his biblical and theological insight The book gives the background of the development of the doctrine of purgatory particularly of penitential theology as well as a brief summary of Luther s so called Reformation breakthrough Furthermore it explicates how in the Explanations of the Ninety Five Theses 1518 Luther articulates the notion of purgatory within the framework of justification by faith alone and the theology of the cross So this book demonstrates the way a minor

subject in Luther purgatory interacts with his major theological subjects justification and the theology of the cross Careful analysis helps readers follow Luther's way of thinking in the course of the Reformation

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Gospel People Michael Reeves, 2022-03-02 A Biblical Case for the Importance and Goodness of Being Evangelical The term evangelical is often poorly defined and frequently comes with cultural and political baggage As the label has become more controversial many Christians have begun to wonder if they should abandon it altogether Michael Reeves argues from a global scriptural and historical perspective that while it's not necessary to discard the label altogether Christians must return to the root of the term the evangel or gospel in order to understand what it truly means He identifies the theology of evangelicalism and its essential doctrine the Father's revelation in the Bible the Son's redemption in the gospel and the Spirit's regeneration of the heart calling believers to stand with integrity as people of the gospel A Biblical and Theological Explanation of Evangelicalism Rooted in Scripture and the writings of figures throughout church history Globally Minded Explores evangelical theology and distinctives outside of narrow cultural definitions Brief and Accessible Written for both lay people and church leaders
