NASCAR Racing Kyle chronicles his life on and off the racetrack presenting his insider's perspective of growing up throughout the sport's popular rise in American culture. In between driving and running Petty Enterprises for thirty years, Kyle took some detours into country music, voiced Cal Weathers in Pixar's *Cars 3*, and started his annual motorcycle Kyle Petty Charity Ride Across America. And when his nineteen-year-old son Adam, a fourth-generation racing Petty, tragically lost his life on the track, Kyle founded Victory Junction, a camp for children with chronic and serious medical conditions, in Adam's name, with help from Academy Award-winning actor and motorsports enthusiast Paul Newman. Filled with NASCAR history, stories of his family's careers, and anecdotes about some of stock car racing's most famous drivers, Kyle's memoir also tackles the sport's evolution, discussing how welcoming diverse racers, improving car and track safety features, and integrating green technology will benefit NASCAR's competitors and fans in the future.
