Common Grace (Volume 3) Abraham Kuyper, 2020-08-26 God's Gifts for a Fallen World Common Grace is often considered Abraham Kuyper's crowning work an exploration of how God expresses grace even to the unsaved Kuyper firmly believed that though many people in the world will remain unconverted God's grace is still shown to the world as a whole In this third and final volume of Common Grace Kuyper brings his argument to its logical completion by turning to practical implications With detailed explorations on matters of church and state family upbringing and society Kuyper provides practical guidance for all who desire to flourish within the created order a world in which God's grace is generously given to all Common Grace (Volume 2) Abraham Kuyper, 2019-04-17 Common Grace is often considered Abraham Kuyper's crowning work an exploration of how God expresses grace even to the unsaved Kuyper firmly believed that though many people in the world will remain unconverted God's grace is still shown to the world as a whole The second volume of Common Grace contains Kuyper's doctrinal exploration of the impact and implications of this aspect of Reformed theology

Never before published in English this translation of Common Grace is now available as part of a 12 volume series of Kuyper's most important writings on public theology Created in partnership with the Kuyper Translation Society and the Acton Institute the Abraham Kuyper Collected Works in Public Theology will deepen and enrich the church's understanding of public theology in today's world

I Will Repay Dennis Oh, 2018-02-15 How can Christianity continue to rejoice over a redemption that came at the cost of the violent suffering and death of Jesus Christ In the wake of increasing revulsion toward oppression and abuse both historic and contemporary traditionally Protestant and evangelical theology is in the precarious position of defending one of its cardinal doctrines amidst a host of compelling critiques and alternatives In *I Will Repay* Dennis Oh explores how soteriology rooted in Scripture and resonant with tradition can also be conversant with the cinematic experience offered by popular films It proposes a narrative reenvisioning of the mechanism of atonement that both supports and extends traditional theological categories and vocabularies while retaining the cross centered conviction of an evangelical gospel

A Passage of Nostalgia Martina Viljoen, 2020-12-20 Jacobus Kloppers an eminent composer organist pedagogue and scholar significantly contributed to musicological and organ teaching in South Africa and Canada and in the latter context art music and liturgical composition *A Passage of Nostalgia* The Life and Work of Jacobus Kloppers as a symbolic gesture constitute recognition of his work both in South Africa and Canada This publication is unique in that apart from relevant disciplinary perspectives biographical and autobiographical narrative and anecdote all constitute a necessary means through which the authors illuminate Kloppers' compositional process and its creative outcomes In this regard Kloppers generously dedicated his time to the project to make information on his life and work available often in complex ways This retrospective input supports the work offered as an authentic self-reflective recounting of a life of dedicated service in music The construct of nostalgia as an overarching theme to this volume on some level denotes Kloppers' position of cultural and religious insidedness and outsidedness However apart from representing a return to a lost and challenging past the composer's creative work affirms his individuality sense of artistic self and propensity for spiritual acceptance and tolerance Moreover nostalgia in his oeuvre takes on importance as a rhetorical artistic practice by which continuity is as central as discontinuity

To Understand Things as Well as Words John R. Van Wyk, 2025-06-17 One significant way that the influential Puritan minister Jonathan Edwards 1703-58 remains relevant today is through his approach to teaching His holistic pedagogical approach addressed the total person mind intentions and actions Crucial to Edwards also was mentoring students to assist their spiritual development and to encourage and to help enable their leadership potential This volume fills a significant gap in the academic study of Jonathan Edwards his work as a teacher and educational theorist
