Destiny Wayne W. Dyer, 1997 This guide shows how the process of meditation can streamline thoughts desires and goals This book shows how to overcome built in barriers by using Nine Spiritual Principles of Manifesting *Wayne Dyer* Leon Nacson, Wayne W. Dyer, 1998 **Manifest Your Destiny** Wayne W. Dyer, 1998-02 Dyer teaches the art of meditation as a way to streamline thoughts desires and goals and bring what we most desire to our lives The nine spiritual principles of manifesting clear away what constricts us and illuminate a new path to achieving our truest goals The Essential Wayne W. Dyer Collection Wayne W. Dyer, 2013 Affectionately call the father of inspiration by his fans Dr Wayne W Dyer is an internationally renowned author and speaker in the field of self development He is the author of more than 30 books has created many audio programs and videos and has appeared on thousands of television and radio shows Despite his childhood spend in orphanages and foster homes Dr Dyer has overcome many obstacles to make his dreams come true Today he spends much of his time showing others how to do the same The Essential Wayne W Dyer Collection is an omnibus of three of Wayne's best selling titles The Power of Intention The Shift and Excuses Begone The word intention is generally defined as a pit bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture In this view an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed However intention is viewed very differently in The Power of Intention Dr Wayne W Dyer has researched intention as a force in the universe that allows the act of creation to take place This book explores intention not as something you do but as an energy you are a part of We are all intended here through the invisible power of intention This is the first book to look at intention as a field of energy that you can access to begin co creating your life with the power of intention The Shift illustrates how and why to make the move from ambition to meaning As we contemplate leaving the morning of our life where ego has played a commanding role and entering the afternoon and evening where meaning and purpose replace ambition and struggle we may encounter unexpected occurrences that accompany this new direction It is almost a universal law that we will experience a fall of some kind Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose This doesn't mean that we lose our drive and ambition it signifies that we become ambitious about something new We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than a life based on never ending demands and false promises that are the trademark of the ego's agenda With the pages of Excuses Begone Dr Wayne W Dyer reveals how to change the self defeating thinking patterns that have prevented you from living at the highest levels of success happiness and health Even though you may know what to think actually changing those thinking habits that have been with you since childhood might be somewhat challenging In this groundbreaking work Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all You will ultimately realize that there are no excuses worth defending ever even if they've always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or

failures you'll awaken to the life of your dreams The Essential Wayne W Dyer Collection is the perfect read for those who want to deepen their understanding of Wayne's teachings as well as anyone who would like to have all their favourite Dyer titles together in one volume As a bonus a copy of the Ambition to Meaning DVD is also included This feature film is based on the themes in The Shift Secrets to Manifesting Your Destiny Wayne W Dyer, 1996-01
