Eckhardt,2014-10-07 The first thing I need you to know is that becoming a teacher was the most important thing that ever happened to me With these words Kaycee Eckhardt begins a journey both harrowing and hopeful The story of becoming an effective teacher of building a new school and of changing the face of education in Post Katrina New Orleans Beginning as a first year teacher barely out of six weeks of training the book follows her path from the New Orleans neighborhoods of Holly Grove Algiers Treme and the 9th Ward She takes us through four different schools a destroyed bicycle a half dead pit bull a burlesque dancer spit and a concussion broken light bulbs a phonics lesson and how to plant the seeds of literacy in the most dire of circumstances With affection and brutal honesty she relates the hilarity and tragedy of her students lives the belief in all things possible and finally her most difficult decision of all Filled with heartbreaking stories teacher survival strategies and an excess of heart Katrina s Sandcastles is a story of sacrifice and struggle belief and failure despair and ultimate redemption in the heart of the Crescent City Read an interview with the author on our blog **Education, Morality, and**

Our Nation - Restoring America to Greatness William Marchena,2017-07-17 An educator within the New York City school system Dr William Marchena has become very concerned with the condition of our failing school system and the moral decline of what was once a great nation the United States After the conclusion of his doctorate William Marchena has wholeheartedly sought and researched the solution for restoring our schools and returning America to greatness Ultimately William s conclusion is the same as his original thought we need to return fully to the ways of the God in the Holy Scriptures Throughout this book which William considers a major project the reader will get a vivid understanding as to why it is imperative for our nation to seek the ways of God as our Founding Fathers did over two hundred years ago If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways then I will hear

from heaven and I will forgive their sin and will heal their land 2 Chronicles 7 14 *Social Media in the Classroom* Jason Beaudry, 2012-11 We have all heard that our students are losing the ability to think for themselves but what can we do to change that Written by an educator on the front lines *Social Media in the Classroom* Why Ontario Students Are Failing in the Real World takes a strong stand on issues such as standardized testing class sizes and individual education plans IEPs to name but a few of the important challenges facing students parents and teachers today In taking a passionate stance on hot topic educational issues of the day author Jason Beaudry discusses issues and makes recommendations to improve the current education system He hopes to inspire strong feelings in all readers as he teaches them a better understanding of how Ontario s youth are ill prepared for their future Beaudry explores how weak reading and writing skills are dangerous to students how standardized testing does nothing but waste precious time and resources how investing in more teachers and classroom assistants could change the future how students can help themselves by becoming independent learners and how current education fails to train the next generation of skilled workers He also describes ways for you to be a part of the change This study is the product of one dedicated teacher s quest to make a real change in Ontario s educational system He wants nothing more than to improve the ways in which Ontario students are being educated and prepared for life after high school
