Walsch, Neale Donald, 2014-09-01 AND GOD SAID Neale Donald Walsch didn't claim to be special or spiritually gifted He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart As he wrote his questions to God he realized that God was answering them directly through Walsch's pen And the result was a series of witty provocative and profound books that have changed the lives of readers around the world Here in one handsome volume with new introductions and afterwords are the second two books in the Conversations with God series In Conversations with God 2 Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversation with God 1 The pair discusses time space and politics It is an honest look at some of the broad issues important to all of us on the planet Conversations with God 3 the final book of the original three book series contains universal truths of the highest order and the challenges and opportunities of the soul In this volume the dialogue expands to include more about the nature of God about love and fear about who we are and who we may become Here is also a profound dialogue about the culture philosophy and spirituality of highly evolved beings in other realms of the universe and how they have learned to view life love and the pursuit of happiness *Tully's Three Books of Offices, in English. Nodar, 2022-01-22 Stories to Share with My Partner Book 2 is my second compilation of short stories and poems written in 2019 and 2020 The main reason for publishing these stories and poems is to again try and I mean try to make you smile and laugh at the outlandish storylines and to bring you a few minutes of fun Once again these stories should take you no longer than four minutes to read so sit back and enjoy some very easy reading From the first story MY FIRST BOOK which really got the whole idea of publishing in my mind to its fruition to SISTER KATE based on a mostly true story in my youth Ending with THE HAPPY VALLEY AGENCY FOR TIME TRAVEL all these stories sprung from my mind during one of the many writing meetings I took part with a remarkable group of inspiring authors Not to say that the story RETIREMENT PLAN did not cross my mind in my youth Tell who you know that does not want an easier life if he/she can get away with it My heroes in my youth arrive in my story SCIENCE FICTION WRITERS OF THE FUTURE How I would love to have something like this happen in real life Thank goodness for the

imagination we humans have My years at the orphanage are in some stories for example THE GREAT BATTLE and THE GREAT ESCAPE and THE MOST UNUSUAL JOB I EVER HAD actually happened but names have been change to protect many of those involved but if they purchase the book they will see themselves and laugh During my many trips into the city the sounds of THE TRAIN JOURNEY came alive in my mind so I had to put them down on paper Going back to my youth I based the story LISTEN TO YOUR HEART on a bullying moment that happen to me and stayed in my heart and soul ever since Finally the poem TWO OF ME reflects what many immigrants feel as they embrace their new lives Once again all these stories and poems are my attempts at the entertainment writing world Do I succeed Only you will know after reading the stories Please shoot me a quick email at info.jfnodar.com.au and give me your thoughts Thank you for your purchase and your support The Athenæum ,1841
