Goddard Lectures Neville Goddard Goddard,2017-05-31 The whole manifested world goes to show us what use we have
made of God s gift Receiving a gift does not mean that we are going to use it wisely but we have the gift Everyone has the gift
and the world simply reflects the use of that gift In The Merchant of Venice Shakespeare puts these words into the mouth of
Portia If to do were as easy as to know what were good to do chapels had been churches and poor men s cottages princes
palaces It is a good divine who follows his own instructions I can easier teach twenty what were good to be done than to be
one of the twenty to follow my own teaching So you and I have been given a gift To what use have we put it In a book written
in the First Century written at the time of our Gospel it s called the Hermetica and this is a translation by Walter Scott It is a
wonderful series of four volumes and in this he says There are two gifts that God has given to man alone and to no other
mortal creature and these two gifts are Mind and Speech And the gifts of Mind and Speech are essential and identical with
Immortality If they are used rightly man will not differ in any respect from the immortals and when he quits the body these
two will be his guides and they will lead him into the troop of the gods and to the souls that have attained to bliss The
