women to have had no recent contact with a doctor regardless of income or ethnicity This reluctance to seek medical help means that for men their diseases often go undetected until it is significantly progressed and this late discovery has serious consequences To make matters worse when men do see their physicians many doctors find it difficult to talk about sexual health with their patients Common conditions such as erectile dysfunction or Peyronie's disease an acquired penile curvature are often dismissed or simply go unaddressed This avoidance creates real health problems erectile dysfunction ED alone affects as much as 20% of men worldwide occurring in as much as 52% of men between the ages 40 and 70 Serious skin cancers penile injuries and infections can go untreated for years And doctors lose a valuable tool in predicting other chronic health issues when sexual health isn't discussed Dr Burnett takes a deep dive here into identifying what healthy sexual function actually looks like and clearly identifies the distinct components of the male sexual response that every healthy man experiences For each of these components readers will learn about the specific problems that can present their underlying or contributing causes and how each can be resolved It will explode the myth that the only way to enhance men's sexual health is through testosterone therapies Instead his effective prescription for enhanced sexual function and overall health highlights the best that evidence based medicine has to offer a comprehensive mixture of easy yet important lifestyle changes the most advanced medications including hormone therapies when they are appropriately administered mental health therapies external aids and surgery In total readers will have a cutting edge life strategy for achieving optimal sexual health now and for years to come

Do You Have Low T? As a man ages, a slow decline takes root that day to day is imperceptible. Sometime around age 30, levels of the male hormone testosterone begin to drop each year. One morning he looks in the mirror and sees someone who he doesn't recognize. He's tired, looking lacks motivation, his belly is sagging over his belt, his mind is foggy, and maybe his sex drive has evaporated. What happened? Oh, you're just getting older, people tell him, even his doctor, Endocrinologist Florence Comite MD, doesn't believe we should accept aging as is. In fact, she has helped many men to turn around their health for the better. She believes any man can restore his body, mind, and energy, prevent disease, and feel strong, confident, and in control once again. How? By using her Precision Medicine analysis, a highly personalized plan of action designed to combat the decline triggered by the age-related fall in testosterone. This book will show you how to quantify your own health and then make lifestyle changes that will reduce your belly fat and risk of diabetes, revitalize your sex drive, and strengthen your erections and give you more muscle and greater mental agility. Because testosterone affects all of the above aspects of a man's vitality, Dr. Comite shows readers how the cutting-edge science of hormone optimization for men with low testosterone is an effective way to prevent the disorders of aging. **Live Now, Age Later** Isadore Rosenfeld, 2025-05-01

Dr. Rosenfeld spells out the details on how to prevent, treat, and/or slow down virtually every disorder and complication of aging, including Alzheimer's, cancer, heart disease, impotence, cataracts, osteoarthritis, osteoporosis, stroke, and loss of vision. *Love Brewed in Heaven's Pot* Jerry Adu, 2022-09-27

Love is the nature of God. He birthed His nature in mankind at creation. It is also a great ingredient that boosts relationships. In His divine plan, God made love the main key to success in marriage. It was by love that God established a tripartite union between Him and the first couple, Adam the husband and Eve the wife, on earth in the Eden garden. That

depicted a pattern of a beautiful and successful marriage In the process of time this great relationship was perverted by the appearance of sin through the temptation of the first couple Adam and Eve by the devil the serpent This has become a major reason for many unsuccessful marriages in our world The good news is heaven is ready to help us if we would acknowledge and get reconnected to God Proverbs 3 5 6 This way His Tripartite relationship with us will be re established It is our prayer that your marriage will be rekindled with the true love of God as you go through this book May God richly bless you
