Your Sun Sign As A Spiritual Guide:

Your Sun Sign as a Spiritual Guide Swami Kriyananda, 2013-10-07 What sets this book apart from other astrology titles is Kriyananda's focus on the spiritual potential of each sun sign rather than focusing mainly on the karmic limitations. It is so common to hear generalizations such as Leo is proud and Taurus is stubborn. In his book Kriyananda shows how with awareness, attention, and will, one can cultivate the higher potential of his sign leading to greater fulfillment and success. Leo can shine as a channel of light and creativity without pride if he remembers that Spirit, not ego, is the doer. Taurus can be the essence of loyalty and perseverance without being stubborn if he develops an inner fixity of purpose while practicing an outward flexibility. In other words, the horoscope shows karmic patterns of energy. We can learn to work with these energies and develop their more refined higher octaves which will then magnetize new possibilities into our lives. The fundamental point is that the horoscope shows one's karmic energy situation but not who he really is; the spiritual Self within. Kriyananda's approach is to encourage and inspire one's Self to awaken and to express itself through the sun sign. Within each of us is vast potential to be awakened. *Your Sun Sign as a Spiritual Guide* is a beautifully inspiring book that will open doors and encourage one in this direction. This book also guides the seeker to an understanding of the subtle aspects of the spiritual path as it manifests for him through his particular sun sign. Yogic understanding is rich and often runs counter to prevailing thought. So too with astrology, the reader will find vistas of understanding opening as he takes the words and guidance of this yogic view of astrology to heart. This book reassures the reader that sun sign weaknesses can be spiritual strengths if pursued rightly. It also warns one not to rest on the laurels of sun sign strengths but to go much deeper. Concentrated deep wisdom is available to the seeker in this brief, easy-to-digest book that helps the reader to understand himself and others from a higher perspective. *Your Sun Sign as a Spiritual Guide* Kriyananda, 1974 **Your Sun Sign as a Spiritual Guide**

Swami Kriyananda Saraswati, 1971 [Awakening the Natural Love of the Heart](#) Darshan Jan Lotichius, 2024-05-01 *The Pursuit of Happiness Is Through Wisdom* Swami Sri Yukteswar, the great yoga master and guru of Paramhansa Yogananda, lived in India from 1855 until 1936. In his book *The Holy Science*, he speaks about the natural love of the heart and how it can be awakened. This process involves the removal of eight particular inner tensions which he calls the meannesses of the heart: hatred, shame, fear, grief, condemnation, race prejudice, pride of pedigree, and a narrow sense of respectability. With engaging candor, the author reveals the joy that blossoms as these mean traits in the heart are detected and overcome. Whatever position you hold in society, wherever you are in your own soul search, these true-to-life stories and principles of spiritual psychology will help change your consciousness. Following the clues, you can rise above depression, conquer oppressive tendencies, and reclaim the bliss of your own higher Self. *The Book of Bhriгу* Swami Kriyananda, 2024-02-01 *An Ancient Book of Prophecy from India* A report of a fascinating find in India: an ancient manuscript large enough to fill a library containing prophecies concerning the lives of millions of individuals yet unborn.
