

The background of the entire cover is a scenic landscape. At the top, there are snow-capped mountains under a warm, orange-hued sky. Below the mountains is a calm body of water, likely a lake, which reflects the sky and the surrounding landscape. In the foreground, there is a dense forest of evergreen trees, and below them, a grassy field. The overall atmosphere is peaceful and majestic.

Absolutely incredible!

Wonderful job!

The Soul Is Returning Home An Inspired Of Concentrated Spiritual Messages:

The Soul Is Returning Home Theodore Loren Eckhart, 2001-03-01 Every once in a great while there comes along a writer of Truth whose words are so transcendent that most are left amazed and desirous of reading more While there remains a small group for whom he mainly writes those who are destined to absorb the esoteric language Although they may not fully comprehend they wait for the Spirit to translate the meaning In the process of realization a silent power is activated within them and they begin to unfold the Truth This unfoldment brings the flow of Divine healing and harmony and with continual growth and unfoldment until eventually they become one with the innermost Spirit of Truth The Soul is Returning Home is not a book about religion but about Truth the difference between them is important to grasp The world has its religions but Truth has been buried by religion leaving the masses involved in the creation of dogmas creeds and other forms of imitation and limitation In Truth there is beheld a great secret and there are few who know it This book whispers the secret and is the means to true power It is the same sacred knowledge known to the prophets and people of God of ancient times This book contains wisdom which has been edited out of the Bible which spiritually discerning souls have suspected and will be unveiled This book gives the reader a clear yet profound presentation of facts which restores the sacred knowledge Above all it provides the key to their eternal salvation which was buried by the Ecclesiastics since the advent of Christianity The Author June 2007 *The Complete Works of William Walker Atkinson: The Power of Concentration, Mind Power, Raja Yoga, The Secret of Success, Self-Healing by Thought Force and much more* William Walker Atkinson, 2017-06-28 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices The Art of Logical Thinking The Crucible of Modern Thought Dynamic Thought How to Read Human Nature The Inner Consciousness The Law of the New Thought The Mastery of Being Memory Culture Memory How to Develop Train and Use It The Art of Expression and The Principles of Discourse Mental Fascination Mind and Body or Mental States and Physical Conditions Mind Power The Secret of Mental Magic The New Psychology Its Message Principles and Practice New Thought Nuggets of the New Thought Practical Mental Influence Practical Mind Reading Practical Psychomancy and Crystal Gazing The Psychology of Salesmanship Reincarnation and the Law of Karma The Secret of Mental Magic The Secret of Success Self Healing by Thought Force The Subconscious and the Superconscious Planes of Mind Suggestion and Auto Suggestion Telepathy Its Theory Facts and Proof Thought Culture Practical Mental Training Thought Force in Business and Everyday Life Thought Vibration or the Law of Attraction in the Thought World Your Mind and How to Use It The Hindu Yogi Science Of Breath Lessons in Yogi Philosophy and Oriental Occultism Advanced Course in Yogi Philosophy and Oriental Occultism Hatha Yoga The Science of Psychic Healing Raja Yoga or Mental Development Gnani Yoga The Inner Teachings of the Philosophies and Religions of India Mystic Christianity The Life Beyond Death The Practical Water Cure The Spirit of the Upanishads or the Aphorisms of the Wise Bhagavad Gita The Art and Science of Personal
