Brown,Luke A. Powery,2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In *Ways of the Word* a dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching s component skills and more self aware about all that is at stake in proclaiming the redemptive work of God in specific contexts **Preaching is Believing** Ronald J. Allen,2002-01-01 In *Preaching Is Believing* Allen calls for preachers

Dwayne Howell,2013-08-13 Preaching is a personal event a minister or speaker prepares his or her sermon and presents it to the congregation Preaching however also includes the Bible as a central source this source comes from and provides a basis for the believing community The preaching event is also personal for the members of the congregation who are not simply recipients of the preacher s words based on a biblical text The congregation

is involved personally in that each individual interprets the words and the text What is said in the text in the sermon and the listener s response represent parts of each one s testimony Testimony runs throughout preaching the Bible and the congregation It is in this interchange of preacher text and listener that not just one testimony develops but many testimonies are present **Bringing the Word to Life** Richard Ward,Richard F. Ward,David Trobisch,2013-04-27 The New Testament books were written to be read aloud The original audiences of these texts would have been unfamiliar with our current practice of reading silently and processing with our eyes rather than our ears so we can learn much about the New Testament through performing it ourselves Richard Ward and David Trobisch are here to help Bringing the Word to Life walks the reader through what we know about the culture of performance in the first and second centuries what it took to perform an early New Testament manuscript the benefits of performance for teaching and practical suggestions for exploring New Testament texts through performance today *Imagery for Preaching* Patricia Wilson-Kastner,1989
