The Strategic College Graduate 7 Steps To Getting The Job You Really Want:

The Strategic College Graduate Robert LaBarbera, 2012-08-22 Most college graduates are just not prepared for the difficult employment landscape facing them Earning your degree having a high GPA working part time jobs and participating in school activities used to be enough to land a great job Not anymore As the pressure builds to find work most hit the electronic pavement spraying the market with their resume But chasing every job posting does not help you stand out from the crowd nor does it build demand for your services Though it seems counter intuitive recent college graduates need to do the opposite They need to go after fewer jobs the jobs they really want with creativity and discipline They need to have a focused strategy And they need a step by step plan to follow Which is exactly what *The Strategic College Graduate 7 Steps to Getting the Job You Really Want* gives them The Strategic College Graduate will teach you how to Discover your differentiated value Carefully choose the best targets Build multiple sales tools not just your resume Create effective get in the door strategies Prepare for and manage networking meetings and job interviews Influence their decision process Negotiate the best offer The premise of the book is that what these graduates face is a sales problem And it s a difficult one How do they sell a brand new product the recent grad into a low demand market companies who hire against a massive supply of competitors other recent college grads along with unemployed experienced workers Of course a sales problem requires a sales solution a strategic and creative sales solution It requires a different solution than the one everyone else is attempting And the solution for it to work needs to be step by step and easy to follow This solution is not being offered by colleges today or by anyone else for that matter It s different And it works The book was written by a 30 year veteran of solving complex sales problems Robert LaBarbera His company The LaBarbera Group has helped thousands of professionals improve their skill sets accelerate results and propel their careers by utilizing his innovative techniques and step by step systems www.strategiccollegegraduate.com *7 Steps to Bragging the Right Way* Renee Weisman, 2012-08-04 In *7 Steps to Bragging the Right Way* Renee Weisman provides a tactical and insightful guide to letting other people know about the great work you do without sounding like a braggart To be seen as competent to get ahead to get a job or to sell your product you must publicize the good things you do But from an early age you were taught to be humble So you don t brag and suffer in silence when someone else takes the credit or you brag the wrong way and turn off your audience It appears to be a no win situation but it doesn t have to be this way Easy to follow and packed with examples *7 Steps to Bragging the Right Way* provides a stepwise approach to bragging successfully The advice is laboratory tested from a scientist successful female executive and leadership consultant Read the 7 steps and stop holding yourself back **7 Steps for Success** Elizabeth C. Hamblet, 2011-01-01 The transition from high school is challenging for any student but for young adults with disabilities it can be even more difficult In addition to adjusting to increased academic demands in an environment where there is less structure and support students have to navigate a disability services system that is very different from the one they knew in

high school But with the proper preparation students can enjoy success This practical guide explains how the system for accommodations works describes students rights and responsibilities within that system and employs the voices of seasoned professionals and college students to explain the skills and strategies students should develop while they are in high school to ensure success when they reach college As a bonus it also offers answers to questions students with disabilities frequently ask about disclosing their disability in the admissions process
