THE TAROT GUIDE [From Beginners to Professionals] Pailong, 2021-12-12 First of all I have to apologize to everyone for my incomplete English grammar I started studying tarot card reading at 16 years old I am fond of the Rider Waite series of cards because of the pictures that convey the full meaning The first book that i learned was written in my native language I am very fond of how to make predictions using tarot cards Often I use tarot card prediction to earn income after school Until I worked in a travel company I had extra income from fortune telling Now i am currently 41 years old Over time I studied how

to read more cards from English books Until I had enough experience to pass it on to people in my country I am currently a recognized tarot card reading instructor For the various techniques I wrote in this book I use them regularly It is suitable for beginners up to the level of professional fortune tellers The highlight of my book is that Can use tarot cards in all questions The ability of tarot cards that ordinary people may never experience Use tarot cards as a consultant for everyday life Use tarot cards to answer suspicions about business Tarot card reading in various meanings Examples of fortune telling and card reading in various questions For this book I will use the word instead of those who do tarot card reading with Fortune tellers and I will use the word instead of the fortune owner or the answer recipient with Predictors Let s all get a new experience from my book Thank you all for your support
