The Way Of Jesus Re Forming Spiritual Communities In A Post Church Age:

The Way of Jesus Toby Jones, 2010-02-01 Countless books have been written about the impending death of the institutional church but this one both celebrates the resurrection that will follow and lights the way toward a new kind of spiritual community The Way of Jesus identifies seven principles upon which authentic and vibrant Christian communities can be built in today's diverse and ever shrinking world Toby Jones traveled across the country from San Francisco's Glide Memorial Church to New York's Church of the Holy Apostles and from Chicago's Wicker Park Grace to Minneapolis's Solomon's Porch He sojourned with seven communities in all and conducted in depth interviews with their leaders and participants to reveal what distinguishes resurrection communities from those in precipitous decline In The Way of Jesus Jones draws both from the scriptures and from such fresh thinkers as Brian McLaren Dallas Willard Doug Pagitt and Shane Claiborne offering genuine hope and practical direction to the millions of spiritually homeless But just as importantly The Way of Jesus offers a clear path to struggling shrinking congregations who desire to re-form themselves in a way that is both more faithful to the Gospel and compelling to post modern generations who have long since abandoned the institutional church Approaches to Monasticism in the Context of Christian Responses to Modern Culture Kevin Maddy, 2022

Approaches to Monasticism in the Context of Christian Responses to Modern Culture is a study of how the values and practices of monasticism are being shaped by the shift to a cultural understanding of Christianity in modern times The values and practices of traditional monasticism are contrasted with those of various expressions of new monasticism against the background of a multicultural and fluid social environment in an effort to find some reciprocal illumination The study aims to describe monasticism in terms of authenticity and lived religion **The Digital Evangelicals** Travis Warren

Cooper, 2022-08-02 When it comes to evangelical Christianity the internet is both a refuge and a threat It hosts Zoom prayer groups and pornographic videos religious revolutions and silly cat videos Platforms such as social media podcasts blogs and digital Bibles all constitute new arenas for debate about social and religious boundaries theological and ecclesial orthodoxy and the internet's inherent danger and value In The Digital Evangelicals Travis Warren Cooper locates evangelicalism as a media event rather than as a coherent religious tradition by focusing on the intertwined narratives of evangelical Christianity and emerging digital culture in the United States He focuses on two dominant media traditions media sincerity immediate and direct interpersonal communication and media promiscuity communication with the primary goal of extending the Christian community regardless of physical distance Cooper whose work is informed by ethnographic fieldwork traces these conflicting paradigms from the Protestant Reformation through the rise of the digital and argues that the tension is culminating in a crisis of evangelical authority What counts as authentic interaction Who has authority over the circulation of information While many studies claim that technology influences religion The Digital Evangelicals reveals how Protestant metaphors and discourses shaped the emergence of the internet and explores what this relationship with global new media

means for evangelicalism **Herald and Presbyter** ,1913 **The Living Church** ,1944 *The Anchor Bible Dictionary: A-C* David Noel Freedman,1992 Six years in the making this state of the art dictionary offers the most up to date and comprehensive treatment of biblical subjects and scholarship An essential reference for every serious reader of the Bible B W illustrations and line art throughout The Congregationalist and Christian World ,1902 **The Church of England Pulpit, and Ecclesiastical Review** ,1896 **The Church Militant Phillips Brooks Memorial Number** ,1899 **The Oxford Companion to Christian Thought** Adrian Hastings,Alistair Mason,Hugh S.
