## **The Way Of The Cross The Path To New Life:**

*The Way of the Cross* Joan Chittister, 2013 The bestselling spiritual writer Joan Chittister reflects on 15 paintings by contemporary American artist Janet McKenzie in a 21st century interpretation of the centuries old Christian devotion When popular writer Joan Chittister heard that artist Janet McKenzie painted the fifteen stations of the cross she was eager to write the accompanying text her first book length treatment of the stations *The Last Week* Marcus J. Borg, John Dominic Crossan, 2009-03-17 Top Jesus scholars Marcus J Borg and John Dominic Crossan join together to reveal a radical and little known Jesus As both authors reacted to and responded to questions about Mel Gibson s blockbuster *The Passion of the Christ* they discovered that many Christians are unclear on the details of events during the week leading up to Jesus s crucifixion Using the gospel of Mark as their guide Borg and Crossan present a day by day account of Jesus s final week of life They begin their story on Palm Sunday with two triumphal entries into Jerusalem The first entry that of Roman governor Pontius Pilate leading Roman soldiers into the city symbolized military strength The second heralded a new kind of moral hero who was praised by the people as he rode in on a humble donkey The Jesus introduced by Borg and Crossan is this new moral hero a more dangerous Jesus than the one enshrined in the church s traditional teachings *The Last Week* depicts Jesus giving up his life to protest power without justice and to condemn the rich who lack concern for the poor In this vein at the end of the week Jesus marches up Calvary offering himself as a model for others to do the same when they are confronted by similar issues Informed challenged and inspired we not only meet the historical Jesus but meet a new Jesus who engages us and invites us to follow him *Re-Imaging Death and Dying*, 2020-09-25 The 6th Global Conference Making Sense of Dying and Death held in Salzburg Austria in October and November 2008 is a component of the Inter Disciplinary Net s Probing the Boundaries project The project s purpose is to create working encounter groups between people of differing perspectives disciplines professions vocations and contexts A *Seeking the Beloved* Wayne Simsic, 2012-04-01 Prayer is not just time set aside for God or the use of certain techniques it is primarily an intimate relationship with God the Beloved If we hunger for a prayer that is deeper than words and that we can bring to every part of our lives no matter what we are doing then we can turn to St John of the Cross as our guide Retreat master and author Wayne Simsic insists that while it s easy to write off this saint as an otherworldly ascetic and mystic he was actually a down to earth and wise administrator poet and artist whose writings have great relevance for us today In this book Simsic helps readers discover the gift of contemplative prayer as unfolded by this Carmelite saint whose longing for a deep intimacy and union with God can become our longing as well *Metropolitan Pulpit and Homiletic Monthly*, 1916 **The Homiletic Review**, 1916 **Christian Dogmatics** Carl E. Braaten, Robert W. Jenson, 2011-07 Volume 2 treats atonement the Holy Spirit ecclesiology the sacraments justification by faith and eschatology *The Weavings Reader* John S. Mogabgab, 1993 From the pages of *Weavings* A Journal of the Christian Spiritual Life comes a collection of some of the finest literature on spirituality More than 30 articles illustrate our

search to recognize the voice the touch and the word of God in our lives Foreword by Henri Nouwen Ahepan ,1926

*On the Tree of the Cross* Matthew Baker, Seraphim Danckaert, Nicholas Marinides, 2020-04-10 Thou hast redeemed us from the curse of the Law by Thy precious Blood By being nailed to the Cross and pierced with the Spear Thou hast poured immortality on mankind O our Saviour glory to Thee Troparion for Holy Friday Atonement is a contested but inescapable term in contemporary English language theological discussion The doctrine of atonement has received little attention in Orthodox Christian circles since the work of Fr Georges Florovsky who labored to clarify and promulgate the Orthodox teaching on atonement on the basis of his theological leitmotifs of neo patristic synthesis and encounter with the West Florovsky saw the doctrine of the person of Christ as the key to apprehending the pattern and the unity of God s redemptive work Hence he always sought to follow the Church Fathers in weaving together the themes of creation and fall incarnation and atonement deification and redemption liturgy and asceticism in the variegated yet seamless robe of true theology The present volume is inspired by Florovsky s legacy It is composed of two parts The first is a collections of papers on atonement by contemporary theologians from a patristic symposium in honor of Florovsky held at Princeton Theological Seminary and Princeton University in 2011 The second part is a collection of writings on atonement by Florovsky himself including previously unpublished manuscripts and other works otherwise hard to access This book offers incisive and informed neo patristic voices to any contemporary discussion of atonement thus responding to the perennial legacy and task to which Fr Georges Florovsky exhorted Orthodox theological reflection **Cross Examinations** Marit Trelstad, In today s theological landscape the significance of the cross has become strongly affirmed and radically questioned This exciting volume gathers theologians and historians who have thought through these critical and constructive issues Do traditional understandings of the cross valorize suffering or violence Are the older soteriological models which see redemption as a kind of ransom or debt satisfaction fitting for the contemporary worldview Do they produce a piety that acquiesces in needless suffering or does the cross precisely meet the massive suffering and injustice of today s world Following an expert introduction to the issues and options by editor Marit Trelstad each author addresses the Christian symbol of the cross in the context of current theological sociological political or environmental issues Christian Advocate ,1909 *New Covenant* ,1990 **Meeting Jesus**

**Again for the First Time** Marcus J. Borg, 2009-03-17 Of the many recent books on the historical Jesus none has explored what the latest biblical scholarship means for personal faith Now in Meeting Jesus Again for the First Time Marcus J Borg speaks to those who want a fully contemporary faith a faith that that welcomes rather than rejects our critical intelligence and that is also open to new historical and scholarly research Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ one that is critical and at the same time sustaining Drawing on his own journey from a naive unquestioning belief in Christ to a more mature and contemporary Christian faith Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life one not rooted in creeds or dogma but full of spiritual

challenge compassion and community Marcus J Borg author of bestseller Heart of Christianity is Hunderer Distinguished Professor of Religion and Culture at Oregon State University and author of the bestselling Meeting Jesus Again for the First Time Reading the Bible Again for the First Time The God We Never Knew and coauthor of Jesus A New Vision with N T Wright He was an active member of the Jesus Seminar when it focused on the historical Jesus and he has been chair of the Historical Jesus section of the Society of Biblical Literature For many contemporary Christians Biblical scholarship is seen as the enemy of faith In a personal and highly readable account Marcus Borg shows how Christians can explore contemporary scholarship as a way toward a far more dynamic and meaningful faith Rosemary Radford Ruether author of Gaia and God
