The Western Front Part 1 Of 3 Western Front Series:

The Collaboration Ben Urwand, 2013-09-10 To continue doing business in Germany Hollywood studios agreed not to make films attacking Nazis or condemning persecution of Jews Ben Urwand reveals this collaboration and the cast of characters it drew in ranging from Goebbels to Louis B Mayer At the center was Hitler himself obsessed with movies and their power to shape public opinion

The Western Front of the Eastern Church Barbara Skinner, 2009 This book addresses the shifting identity of Ruthenians on both sides of Orthodox Uniate divide The dissolution of the Polish Lithuanian Commonwealth in the late 18th century and the incorporation of the majority of the Ruthenians ethnic Ukrainians and Belarusians into the Russian Empire from the backdrop for confessional history critical to modern Ukrainian Belarusian and Russian identities In a region long shaped by religious and cultural tensions between the Roman Catholic and Eastern Orthodox churches the creation in 1596 of the Uniate church which retained the Eastern rite but accepted Catholic doctrine cut a new religious fault line through Ruthenian communities that set the stage for religious and political conflict Drawing on archival sources from Russia Poland and Ukraine The Western Front of the Eastern Church addresses the shifting identity and fate of Ruthenians on both sides of the Orthodox Uniate divide during the politically charged era of the partitions of Poland Skinner investigates diverging components of these faith communities in the 18th century the changing political landscape as the Russian Empire expanded its borders and the religious tensions and violence that occurred as a result She reveals cultural influences that shaped Ukrainian and Belarusian identities and sheds light on aspects of Russian imperial identity and mythology as it laid claim to its western borderlands The confessional focus critiques the nationalist perspective that has dominated the presentation of Ukrainian and Belarusian history and Skinner s treatment brings the region into the broader discussion of confessional development in Europe as a whole The narrative culminates in the Uniate conversions under Catherine II providing new insight into the limits of religious toleration in Catherinian Russia This book is essential reading for Russian and East European historians and those interested in the history of relations between the Roman Catholic and Orthodox churches as well as those studying the tensions between Russia Ukraine and Belarus today

The Great Events of the Great War: A.D. 1919 Charles Francis Horne, Walter Forward Austin, 1923

The New Larned History for Ready Reference, Reading and Research Josephus Nelson Larned, 1923

When Titans Clashed David M. Glantz, Jonathan Mallory House, 1995 By the time Pearl Harbour had ripped apart America s peacetime pretensions the German blitzkrieg had already blasted the Red Army back to the gates of Moscow Yet less than four years later the Soviet hammer and sickle flew above the ruins of Berlin stark symbol of a miraculous comeback that destroyed the German army and shattered Hitler s imperial designs
