

The background of the cover is a dark, atmospheric illustration of a jungle at night. In the foreground, a tiger is perched on a stone ledge, looking out from a metal cage. In the distance, a small figure of a person stands near a body of water, illuminated by a faint light source. The sky is dark with some clouds.

November 22 1963 three shots rang out in Dallas President Kennedy died and the world changed What if you could change it back In this brilliantly conceived tour de force Stephen King who has absorbed the social political and popular culture of his generation more imaginatively and thoroughly than any other writer takes readers on an incredible journey into the past and the possibility of altering it It begins with Jake Epping a thirty five year old English teacher in Lisbon Falls Maine who makes extra money teaching GED classes He asks his students to write about an event that changed their lives and one essay blows him away a gruesome harrowing story about the night more than fifty years ago when Harry Dunning's father came home and killed his mother his sister and his brother with a sledgehammer Reading the essay is a watershed moment for Jake his life like Harry's like America's in 1963 turning on a dime Not much later his friend Al who owns the local diner divulges a secret his storeroom is a portal to the past a particular day in 1958 And Al enlists Jake to take over the mission that has become his obsession to prevent the Kennedy assassination So begins Jake's new life as George Amberson in a different world of Ike and JFK and Elvis of big American cars and sock hops and cigarette smoke everywhere From the dank little city of Derry Maine where there's Dunning business to conduct to the warmhearted small town of Jodie Texas where Jake falls dangerously in love every turn is leading eventually of course to a troubled loner named Lee Harvey Oswald and to Dallas where the past becomes heart stoppingly suspenseful and where history might not be history anymore Time travel has never been so believable Or so terrifying

Holly Stephen King, 2023-09-05 1 New York Times Bestseller A New York Times Notable Book An NPR Best Book of the Year Holly Gibney one of Stephen King's most compelling and resourceful characters returns in this chilling exploration of grief and delusion just pure undistilled evil New York magazine as she uncovers the truth behind multiple disappearances in a midwestern town When Penny Dahl calls the Finders Keepers detective agency hoping for help locating her missing daughter Holly Gibney is reluctant to accept the case Her partner Pete has Covid Her very complicated mother has just passed away And Holly is meant to be on leave But something in Penny's desperate voice makes it impossible to turn her down Meanwhile mere blocks from where Bonnie Dahl disappeared live Professors Rodney and Emily Harris They are the picture of bourgeois respectability married octogenarians devoted to each other and semi-retired lifelong academics But they are also harboring a shocking unholy secret in the basement of their well kept book lined home one that may be related to Bonnie's disappearance And it will prove nearly impossible to discover what they are up to for they are savvy they are patient and they are ruthless Now Holly must summon all of her formidable talents to outthink and outmaneuver these unimaginably depraved and brilliantly disguised adversaries in this chilling and unforgettable masterwork from Stephen King

If It Bleeds Stephen King, 2020-04-21 1 NEW YORK TIMES BESTSELLER Featuring the novella *The Life of Chuck* now a feature film adapted for the screen and directed by Mike Flanagan *The Fall of the House of Usher* *Doctor Sleep* and starring Tom Hiddleston Mark Hamill Chiwetel Ejiofor and Karen Gillan a Toronto International Film Festival People's Choice Award winner From the legendary storyteller and master of short fiction Stephen King comes an

extraordinary collection of four new exceptionally compelling novellas that reaffirm King's mastery of the form. The Washington Post Readers adore Stephen King's novels and his novellas are their own dark treat, briefer but just as impactful and enduring as his longer fiction. Many of his novellas have been made into iconic films including *The Body*, *Stand by Me*, and *Rita Hayworth and Shawshank Redemption*. The four brilliant tales in *If It Bleeds* prove as iconic as their predecessors. In the title story, reader favorite Holly Gibney from the *Mr. Mercedes* trilogy and *The Outsider* must face her fears and possibly another outsider this time on her own. In *Mr. Harrigan's Phone*, an intergenerational friendship has a disturbing afterlife. *The Life of Chuck* explores beautifully how each of us contains multitudes. And in *Rat*, a struggling writer must contend with the darker side of ambition. If these novellas show King's range, they also prove that certain themes endure. One of King's great concerns is evil, and in *If It Bleeds*, there's plenty of it. There is also evil's opposite, which in King's fiction often manifests as friendship. Holly is reminded that friendship is not only life-affirming but can be life-saving. Young Craig befriends Mr. Harrigan, and the sweetness of this late-in-life connection is its own reward. An adroit vehicle to showcase the nature of evil. *The Boston Globe*: *If It Bleeds* is exactly what I wanted to read right now, says Ruth Franklin in *The New York Times Book Review*.
