him to be ready for anything Or so he thought As a freelance accountant for the Agency Fred soon finds himself being tossed into new unexpected and perilous situations From inventorying ghostly castles to exploring unsettling amusement parks to negotiating with dangerous mages it seems there is no end to the uses for an accountant of Fred s specialty But dangerous as the new jobs are the greatest threat may come from the past An old enemy is making waves once more an enemy who would go to great lengths to destroy Fred and everyone he loves And this time they ve brought backup The fourth book in the hilarious series following Fred the vampire accountant and the misadventures he finds himself in **Undeading Bells** Drew Hayes,2019-12-17 After surviving countless perils and dangers including an examination by the Blood Council Fred is preparing to take on his most important adventure to date marrying Krystal That is if he can get everything handled in time Visiting Boarback hiring new staff clearing out his schedule for a honeymoon there s no shortage of tasks to check off before the big day arrives But not everyone views the occasion in such a happy light With new dangers looming old debts raised and grudges rekindled it ll take everything Fred has to finally make it down the aisle **Undeath and Taxes** Drew Hayes,2015 After discovering just how filled with magic intrigue and adventure the parahuman world of being an Undead American can be Fredrick Frankford Fletcher did exactly what was expected he became a certified parahuman accountant Myths and legends as it turns out are not so great at taking appropriate deductions and keeping their receipts and Fred is more than happy to return to a life others view as woefully dull expanding his accounting business to cater to various monsters and their respective financial needs Said monsters are unfortunately still spectacular at pulling Fred into trouble though And despite merely wanting to stick with simple paperwork Fred once again finds he is going to have to deal with enchanted weaponry government agents possessed houses and one enigmatic dragon s interest In the parahuman world any business can turn deadly even one as mundane as accounting
