Directory, 2013 The British National Bibliography Arthur James Wells, 2009 **The Hidden Power of the Gospels** Alexander Shaia, PhD, Michelle Gaugy, 2010-02-02. In the tradition of Thomas Moore's *The Care of the Soul* and Don Miguel Ruiz's *The Four Agreements*, Alexander Shaia's *The Hidden Power of the Gospels* reveals how the recurring cycles of change, loss, enlightenment, and maturation are illuminated by the Bible's four gospels. Combining ancient Christian traditions, anthropology, and modern psychology, he reveals how each gospel focuses on a vital spiritual question. Matthew begins with "How do we face change?" Mark faces the hard question of "How do we move through suffering?" John stirs and elevates the soul as he asks "How do we receive joy?" And Luke moves forward on the practical journey as he inquires "How do we mature in service?" By using this lens, the gospels become practical guides for creating faith-filled lives and a map for our never-ending spiritual journey. **Christian Social Action**, 1995 *The Discerning Heart* Wilkie Au, Noreen Cannon Au, 2006

Integrating the wisdom of Christian tradition and psychological findings on effective decision making, this book presents a view of Christian discernment that honors the body-spirit unity of the person and the broad and mysterious ways we can be led by the spirit of God in our life choices. Going beyond discernment skills and concrete practices, this book presents a coherent theoretical understanding of discernment that grounds the many spiritual practices used by Christians today. By providing a broad and inclusive understanding of the multiple ways God can provide guidance to individuals, this book helps individuals to honor the unique and idiosyncratic way that they receive divine guidance, as well as provides guidelines that guard against possible self-deception and personal blind spots. While including anecdotal accounts and practical elements of Christian discernment, this book provides a conceptual understanding of discernment that will be helpful for those training to be professional ministers, pastors, priests, religious counselors, and spiritual directors. It is unique in applying Christian tradition and contemporary psychological insights to the process of discernment. *Practicing Discernment Together* Lon

Fendall, Jan Wood, Bruce Bishop, 2007-01-01 To discern is to hear and understand God's voice as articulated by the Holy Spirit resident within us. Discernment is a necessary precondition for faithfulness to God's leadings. This is as true for groups as it is for individuals, which means it is true for congregations and businesses that want to obey Christ. Group discernment is an essential ingredient of anything that Christ's followers seek to do together. Even the smallest Bible study group or informal gathering makes decisions. That decision making carries with it the potential of strengthening the spiritual depth of each member of the group, but it also makes misunderstanding, division, and even the complete destruction of the group possible. We invite you into an exploration of the ways God wants to enrich, instruct, and guide groups of believers called into common endeavors. As those of us who have experienced the wonder and joy of this process can attest, decisions arrived at by discernment truly witness to the fact that God is God and that faithfulness is an amazing journey.

Practicing Discernment Together *Decision Making and Spiritual Discernment* Nancy L. Bieber, 2014-05-01 Stay spiritually grounded and open to divine wisdom as you shape your life. To make wise decisions we need the aid of that wise and loving Spirit whose wisdom and light exceed our own. With the Spirit illuminating the complexities of our decisions, we can see and understand more about ourselves and our choices.

From the Introduction Spiritual discernment is the traditional name for listening and responding to divine guidance. In this book you will approach decision making as an active participant, a co-creator with God in shaping your life. Drawing on twenty-five years of experience as a psychologist and fifteen years as a spiritual director, Nancy L. Bieber presents three essential aspects of Spirit-led decision making: Willingness (being open to God's wisdom and love), Attentiveness (noticing what is true, discerning the right path), and Responsiveness (taking steps forward as the way becomes clear). With gentle encouragement, Bieber shows how to weave these themes together to discover the best path for you. Each chapter is enriched by practical spiritual exercises to help you understand yourself and your specific situation, as well as to strengthen spiritual discernment as a daily way of life. An appendix includes a detailed guide for using the book in group study.
