A Matter of Conscience General Jerry Singirok,2022-02-24 Twenty years on from the abrupt ending of his military career Jerry Singirok has had much time to ruminate on the past Another strength of his manuscript is in my view the extent to which he does stand back and reflect often quite critically about his own decisions as well as more broadly about politics leadership corruption faith family and many other facets of public and personal life in PNG While coverage of the Sandline Affair and his military deployments to Bougainville may be action action packed it is also a thoughtful work While still largely remembered for his act of defiance and rebellion Singirok s actions also heralded the beginning of the Bougainville Peace Process The book will be of considerable interest to many readers and not just for those with a Pacific focus
