The Gut Health Protocol John G. Herron, 2016-07-31 Second Edition THANK YOU I have been suffering from IBS and SIBO for years I came across your gut health protocol and followed it to a T and I truly have not felt this good in years You have given me my life back I never realized how sick I was and I forgot how a healthy person should feel I thought I had to live my life feeling the way I did Not the case at all To everyone out there read the gut protocol follow what is suggested its so worth it Jackie A I ve been doing John s protocol for the last two months and it has helped immensely with my SIBO My bloating and stomach distention are pretty much gone ditto stools pretty much normal and motility much better I had a glucose breath test unfortunately only for hydrogen a couple of weeks ago and it was negative I did the protocol full swing all of the supplements and extra antimicrobials as well as lifestyle changes I m not necessarily 100% better but it s the first thing I ve done beside a ridiculously restrictive diet that has actually helped me heal In fact previously my diet was slowly becoming more and more restricted Give it a try it s good stuff And hey John Herron thank you Michelle M I would like

to share that I have had such great success My gut is probably about 90% better I realize that it still probably has issues and this is a journey of healing and keeping it well but I have had no bloating belching constipation or diarrhea and limited moments of soreness I feel that I am now digesting my food and the shortness of breath heart palpitations and discomfort in my throat are gone too Berea F I just looked at your latest protocol and I have to say it is totally amazing It seems more thorough than most of the 5 books I have read Were are you something famous for your job Debbie H The Gut Health Protocol outlines natural approaches to tackling dozens of stomach and intestinal health issues using only scientifically studied natural herbs supplements and diet Supplements commonly available in local health foods stores and at your favorite online retailer Many common ailments often have gut issues as their underlying cause conditions such as recurring stomach aches diarrhea constipation heartburn IBS acid reflux nausea eating disorders eczema obesity Chronic Fatigue Syndrome and even major depression have all been linked to gut issues The root of many of these problems can often be traced quite convincingly to Small Intestinal Bacterial Overgrowth SIBO intestinal candida albicans h pylori bacteria overgrowth in the stomach bacterial dysbiosis throughout the gut or other secondary conditions that these infections cause The Gut Health Protocol and The Gut Health Diet can usually resolve these issues and without damaging antibiotics or steroids Even if you choose to go the antibiotic route The Gut Health Protocol can make the treatment more effective and can help prevent serious complications The Gut Health Protocol contains over 1200 published scientific studies summarized and explained in easy to understand language over 500 pages on paper and reviews of several treatment options Unlike many self help books nearly everything in the book is based on science not opinion The author takes all of this brilliant research and translates it to the practical application of healing and caring for our gut The book is written in such a way as allow your doctor to easily look up the scientific studies to validate the claims and treatment suggestions No need to take the author s word for anything you and your doctor can read the research It is recommended that everyone works with a doctor to determine a treatment plan Though everyone s condition is different you can be feeling much better in as little as 2 weeks naturally and without risky antibiotic treatments Be sure visit The Gut Health Protocol on Facebook there are thousands of members just like you all helping each other
