Unicef Report 2015 Unicef:

UNICEF Annual Report 2015 ,2016-07 **Global Nutrition Report 2015** International Food Policy Research Institute,2015-09-15 As we move into the post 2015 era of the Sustainable Development Goals SDGs the world faces many seemingly intractable problems Malnutrition should not be one of them Countries that are determined to make rapid advances in malnutrition reduction can do so If governments want to achieve the SDG target of ending all forms of malnutrition by 2030 they have clear pathways to follow There are many levers to pull and this report provides many examples of countries that have done so Tackling malnutrition effectively is also key to meeting many other SDG targets Good nutrition signals the realization of people s rights to food and health It reflects a narrowing of the inequalities in our world Without good nutrition human beings cannot achieve their full potential When people s nutrition status improves it helps break the intergenerational cycle of poverty generates broad based economic growth and leads to a host of benefits for individuals families communities and countries Good nutrition provides both a foundation for human development and the scaffolding needed to ensure it reaches its full potential Good nutrition in short is an essential driver of sustainable development

The Struggle for Health David Sanders,2023-02-27 The first edition of The Struggle for Health was published in 1985 and was widely acclaimed by those seeking a broader and deeper political understanding of ill health beyond the medical model of care It was a revolutionary book charting new ways of understanding and tackling the causes of ill health and suggesting strategies to enable health for all This second edition includes health problems that have emerged since the 1980s notably HIV AIDs COVID 19 and other epidemics and the increase in non communicable diseases such as cardiovascular disease and diabetes It examines some of the health impacts of globalization specifically on the food and pharmaceutical value chains and considers the consequences of climate change on the health of populations However this edition does not depart from the core message of the original book Health for All can only be achieved through a more equitable distribution of wealth resources and power The Struggle for Health Second Edition utilises the same approach as the first with a narrative that begins with diseases then describes historical trends and the limitation of the medical and commercial model of care At each juncture it asks the question WHY why do people especially children still die in large numbers throughout the world from wholly preventable diseases Why is it that appropriate provision for health care is not available to every individual in the world What changes can be made to improve this situation Most importantly this edition presents a strengthened call to action building upon the original work and advocating for systemic changes to ensure justice and equity in health for all

State party reporting and the realisation of children's rights in Africa Remember Miamingi,2020-01-01 About the publication Human rights norms will largely remain hollow if they are not translated into the lived realities of people on the ground Given the diversity and complexities of human rights norms the arrays of institutions mechanisms and resource required to give full effect to these norms implementation of human rights norms is a continuous

and progressive undertaking Progress to be meaningful should have milestones and mechanisms for tracking it The reporting mechanisms are human rights monitoring and evaluation plans and systems to track progressive implementation This book provides an assessment of the reporting mechanisms of child rights treaty bodies It highlights what is working or not working and why making recommendations for further improvement of the reporting mechanism to better work for children in Africa The findings and recommendations in the book are based on a study commissioned by the Centre for Human Rights to assess the effects of reporting to United Nations and African Union child rights treaty bodies on the enjoyment of rights protection and welfare of children in Africa It covers 17 African countries and provides a historical snapshot of the situation as at the end of 2017

Tracing the Consequences of Child Poverty Jo Boyden, Andrew Dawes, Paul Dornan, Colin Tredoux, 2019-03-27 Available Open Access under CC BY NC licence What matters most in how poverty shapes children's wellbeing and development How can data inform social policy and practice approaches to improving the outcomes for poorer children Using life course analysis from the Young Lives study of 12 000 children growing up in Ethiopia India Peru and Vietnam over the past 15 years this book draws on evidence on two cohorts of children from 1 to 15 and from 8 to 22 It examines how poverty affects children's development in low and middle income countries and how policy has been used to improve their lives then goes on to show when key developmental differences occur It uses new evidence to develop a framework of what matters most and when and outlines effective policy approaches to inform the no one left behind Sustainable Development Goal agenda

Human Rights, Public Values, and Leadership in Healthcare Policy Eneanya, Augustine Nduka, 2018-11-23 The legitimacy of any national health system depends on how it serves the interest of the poorest and most vulnerable people As such a commitment to equity should be at the heart of human rights discussions regarding universal health coverage Human Rights Public Values and Leadership in Healthcare Policy is an essential reference source on the importance of access to timely quality and affordable healthcare and how overt or implicit discrimination in the delivery of health services violates fundamental human rights and can have serious health consequences This publication covers current health policy debates and reforms that focus on extending universal health coverage decreasing the growth of costs through improved efficiency and expanding prevention and wellness of programs While highlighting topics such as authority hierarchy HIV AIDS experiences and veterans mental health this publication is ideally designed for health practitioners professionals scholars researchers institutions students consultants and policymakers

PG Textbook of Pediatrics Piyush Gupta, PSN Menon, Siddarth Ramji, Rakesh Lodha, 2015-08-31 The book attempts to provide the essential information that postgraduates throughout India need to capture to effectively address the health problems that our children and youth may face in the times to come Our objective is to be comprehensive yet concise and reader friendly embracing both the new advances in science as well as the time honored art of pediatric practice Both Indian and international experts in respective fields have provided the details which have been further scrutinized for

exposition and usefulness to pediatric postgraduates by a chosen team of eminent academicians We have liberally included tables line diagrams images clinical photographs illustrative figures flowcharts and algorithms in the main text The book is divided in 10 major Parts and further arranged into 51 Sections to cover all aspects of postgraduate pediatric curriculum Themes which have major public health relevance for India are extensively covered It is almost impossible to cover all pediatric problems with the same degree of detail and hence a careful balance has been made in the details of description of diseases and their management to the needs of the students and to keep the book to a manageable size Take home messages are provided at the end of each chapter Selected recent references mostly leading articles reviews and position statements are provided for more detailed information if desired by the student or the teacher

Mayes' Midwifery E-Book Sue Macdonald,Gail Johnson,2017-06-03 A new edition of a classic textbook fully updated to meet the needs of today s midwifery student Now available for the first time in full color the 15th edition of Mayes Midwifery has an enhanced artwork program and comes with an extensive website which provides 600 MCQs and wide selection of case studies and reflective activities a downloadable image bank assists with essay and assignment preparation New edition of a classic textbook updated and designed for today s midwifery student Chapters authored by experts in their field including midwifery academics and clinicians as well as allied professionals such as researchers physiotherapists neonatal nurse specialists social scientists and legal experts Evidence and research based throughout to help facilitate safe clinical practice Learning outcomes and key points help readers structure their study and recap on what they have learned Reflective activities encourage the application of theory to practice Contains practice based tools and checklists Presents and discusses the latest national and international guidelines Associated website with over 600 MCQs reflective activities to encourage the application of theory to practice case studies and additional learning tools Downloadable image bank to assist readers with essay preparation and other assignments Suitable for use in normal community and midwife led arenas high tech environments and more rural areas of clinical practice Brand new design incorporating helpful learning features aids reader engagement and retention of facts Updated artwork program helps clarify complex physiological processes and other challenging concepts

Secondary Data Analysis and Literature Review of Knowledge, Attitude, Beliefs and Practices (KABP) Study of the 10 Key Child Survival, Development and Protective Behaviours in Kenya ,2016 **BMJ** ,2008 **Turkana County, Kenya Multiple Indicator Cluster Survey, 2013/14** ,2016 Official Records ,2011 **Swaziland Multiple Indicator Cluster Survey 2014** Swaziland. Central Statistical Office,2016 **Report of the Special Rapporteur on the Human Rights of Internally Displaced Persons on His Mission to the Syrian Arab Republic** United Nations. General Assembly,2016

Wallace,2021-06-05 Now in full color the 1 text spanning the fields of public health and preventive medicine brings you fully up to date on the issues and topics you need to know A Doody s Core Title for 2024 2023 Maxcy Rosenau Last Public Health

and Preventive Medicine has been updated and revised for the first time in more than a decade This highly anticipated and extensive edition provides the most current information and insights available on evidence based public health and preventive medicine from basic methodologies of public health to principles of epidemiology and infection control to environmental toxicology to global health The most comprehensive resource of its kind Maxcy Rosenau Last Public Health and Preventive Medicine is the clear choice for anyone seeking a career in public health Features Edited and written by a who s who of global experts 384 photos and illustrations New full color format and improved artwork Significantly expanded coverage of diseases and preventive methods common in international markets Greater use of tables and summary lists for easier reading and retention *The Stationery Office Agency Catalogue 2007* Stationery Office,2009-02 No public library discount on this title **Population and Housing Census, 2003: Mortality in the Gambia [cover: Mortality analysis and evaluation ,2007 Implementation of the Recommendations Contained in the Report of the Independent International Fact-finding Mission on the Implications of Israeli Settlements on the Civil, Political, Economic, Social and Cultural Rights of the Palestinian People Throughout the Occupied Palestinian Territory, Including East Jerusalem** United Nations. General Assembly,2016 **Education for All** Education International (Organization),2003 Power and Principle Joel E. Oestreich,2007 The UN Secretary General Kofi Annan has instructed all UN specialized agencies and other affiliated organizations to consider how their work might advance the cause of human rights around the world Many of these bodies have taken this call to heart with a wide range of intergovernmental organizations IGOs trying to play a more active role in promoting human welfare Power and Principle is a comparative study of how and why IGOs integrate human rights standards into their development operations It focuses on the process of policy innovation in three UN related IGOs the UN Children s Fund UNICEF the World Bank and the World Health Organization WHO In his comprehensive analysis Joel E Oestreich uses case studies to demonstrate how their policies have evolved during the past two decades to reflect important human rights considerations Drawing on interviews with dozens of staffers from IGOs Oestreich creates a gripping narrative of the inner workings of these large bureaucracies In each study he describes how the organization first became interested in human rights standards how these standards were adopted as a priority how the organization defined rights in the context of their work and what a rights based approach has meant in practice The book argues that IGOs ought to be seen as capable of meaningful agency in international politics and describes the nature of that agency It concludes with an examination of these organizations and their ethical responsibilities as actors on the world stage
