Woman's Day Great Atlantic & Pacific Tea Company, 1943 **The Rediscovered Writings of Rose Wilder Lane, Literary Journalist** Amy Mattson Lauters, 2007-03-09 Through numerous short stories novels such as *Free Land* and political writings such as *Credo* Rose Wilder Lane forged a literary career that would be eclipsed by the shadow of her mother Laura Ingalls Wilder whose *Little House* books Lane edited Lane's fifty year career in journalism has remained largely unexplored This book recovers journalistic work by an American icon for whom scholarly recognition is long overdue Amy Mattson Lauters introduces readers to Lane's life through examples of her journalism and argues that her work and career help establish her not only as an author and political rhetorician but also as a literary journalist Lauters has assembled a collection of rarely seen nonfiction articles that illustrate Lane's talent as a writer of literary nonfiction provide on the spot views of key moments in American cultural history and offer sharp commentary on historical events Through this collection of Lane's journalism dating from early work for *Sunset* magazine in 1918 to her final piece for *Woman's Day* set in 1965 Saigon Lauters shows how Lane infused her writing with her particular ideology of Americanism and individualism self reliance and freedom from government interference thereby offering stark commentary on her times Lane shares her experiences as an extra in a Douglas Fairbanks movie and interviews D W Griffith She reports on average American women struggling to raise a family in wartime and hikes over the Albanian mountains between the world wars Her own maturing conservative political views provide a lens through which readers can view debates over the draft war and women's citizenship during World War II and her capstone piece brings us again into a culture torn by war this time in Southeast Asia These writings have not been available to the reading public since they first appeared They encapsulate important moments for Lane and her times revealing the woman behind the text the development of her signature literary style and her progression as a writer Lauters's introduction reveals the flow of Lane's life and career offering key insights into women's history the literary journalism genre and American culture in the first half of the twentieth century Through these works

readers will discover a writer whose cultural identity was quintessentially American middle class midwestern and simplistic and who assumed the mantle of custodian to Americanism through women's arts. The Rediscovered Writings of Rose Wilder Lane traces the extraordinary relationship between one woman and American society over fifty pivotal years and offers readers a treasury of writings to enjoy and discuss. *Love of Quilts* American Quilter's S, 2004-03-11 There are more than 20 million quilters in the United States and 78 percent of dedicated quilters read for pleasure. To reach this vast group we've expanded our line of quilting books by bringing back *A Patchwork of Pieces* previously published in 1993. *Love of Quilts* features twenty-eight entertaining short stories about quilts and quilters collected from the pages of classic magazines such as *Godey's Lady's Book*, *Harper's Bazaar*, and *Good Housekeeping*, introducing readers to the captivating worlds of quilters in other times and places. From courtships that nearly go astray to husbands and wives brought together by quilts to quilters obsessed with securing scraps, *Love of Quilts* has something for every quilter. Fascinating fiction, these stories also provide important social history. This book also includes a bibliography of quilt fiction and a time line that lists American quilt fiction, plays, poems, and patterns published from 1845 to 1940. **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1965. Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals. July-December. **The National Union Catalogs, 1963-**, 1964. *Credo*: Peter Bagge, 2020-08-28 The life story of the feminist founder of the American libertarian movement, Peter Bagge returns with a biography of another fascinating twentieth-century trailblazer, the writer, feminist, war correspondent, and libertarian, Rose Wilder Lane. Following the popularity and critical acclaim of *Woman Rebel*, *The Margaret Sanger Story*, and *Fire*, *The Zora Neale Hurston Story*, *Credo*: *The Rose Wilder Lane Story* is a fast-paced, charming, informative look at the brilliant Lane. Highly accomplished, she was a founder of the American libertarian movement and a champion of her mother, Laura Ingalls Wilder, in bringing the classic *Little House on the Prairie* series to the American public. Like Sanger and Hurston, Lane was an advocate for women's rights who led by example, challenging norms in her personal and professional life. Anti-government and anti-marriage, Lane didn't think that gender should hold anyone back from experiencing all the world had to offer. Though less well-known today, in her lifetime she was one of the highest-paid female writers in America and a political and literary luminary, friends with Herbert Hoover, Dorothy Thompson, Sinclair Lewis, and Ayn Rand, to name a few. Bagge's portrait of Lane is heartfelt and affectionate, probing into the personal roots of her rugged individualism. *Credo* is a deeply researched dive into a historical figure whose contributions to American society are all around us, from the books we read to the politics we debate. **Museum Handbook** United States. National Park Service, 1991. **Manual Arts and Crafts** Helen MacPherson Thompson, 1965. *The Gendered West* Gordon Morris Bakken, Brenda Farrington, 2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history, a field frequently ignored or misunderstood by the New Western historians. From first contact, American Indians knew

that Europeans did not understand the gendered nature of America. Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century. The journal articles that follow give readers a true sense of the gendered West. Racial and ethnic heritage played a role in female experience whether Hispanic, Japanese, or Irish. Women's work was part western history but women did not confine themselves to plow handles or brothels. Women were very much a part of most occupations or in the process of breaking down barriers of access. They worked in the fields for wages as well as for family welfare and prosperity. Women demanded access to the professions whether teaching or law, accounting or medicine. The process of eliminating barriers varied in time and space but the struggle was constant. Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history. Because of their beliefs and practices, these women suffered at the hands of the federal government and persevered. False River Paula Morris, 2017-10-30. Riffing on truth, lies, and secrets, this collection uses fiction to explore fact and fact to explore fiction. Fictional characters muse upon the truth behind real people; non-fiction pieces contain short interludes of fiction. Fiction is written to read like an essay; made-up elements slip into true accounts. These pieces range the world from America to Antwerp to Aotearoa and talk about writers and writing, famous figures, family members, witch burning in Denmark, cyclones, and numerous pertinent and stimulating topics. All brilliantly written, each will leave you thinking and desperate to jump back in for more. Mary Schafer, American Quilt Maker Gwen Marston, 2004-03-25. The story of the woman who helped create the modern American quilting revival. Reconsidering Laura Ingalls Wilder Miranda A. Green-Barteet, Anne K. Phillips, 2019-06-18. Contributions by Emily Anderson, Elif S. Armbruster, Jenna Brack, Christine Cooper, Rompato, Christiane E. Farnan, Melanie J. Fishbane, Vera R. Foley, Sonya Sawyer, Fritz, Miranda A. Green, Barteet, Anna Thompson, Hajdik, Keri Holt, Shosuke Kinugawa, Margaret Noodin, Anne K. Phillips, Dawn Sardella, Ayres, Katharine Slater, Lindsay Stephens, and Jericho Williams. Reconsidering Laura Ingalls Wilder: Little House and Beyond offers a sustained critical examination of Wilder's writings including her Little House series, her posthumously published and unrevised *The First Four Years*, her letters, her journalism, and her autobiography *Pioneer Girl*. The collection also draws on biographies of Wilder, letters to and from Wilder, and her daughter, collaborator, and editor Rose Wilder Lane, and other biographical materials. Contributors analyze the current state of Wilder studies, delineating Wilder's place in a canon of increasingly diverse US women writers and attending in particular to issues of gender, femininity, space, and place, truth, and collaboration among other issues. The collection argues that Wilder's work and her contributions to US children's literature, western literature, and the pioneer experience must be considered in context with problematic racialized representations of peoples of color, specifically Native Americans. While Wilder's fiction accurately represents the experiences of white settlers, it also privileges their experiences and validates explicitly and implicitly the erasure of Native American peoples and culture. The volume's contributors engage critically with Wilder's writings, interrogating them, acknowledging their limitations, and enhancing ongoing conversations about them while

placing them in context with other voices works and perspectives that can bring into focus larger truths about North American history

Reconsidering Laura Ingalls Wilder examines Wilder's strengths and weaknesses as it discusses her writings with context awareness and nuance

Creative in the Image of God Katherine M. Douglass, 2020-03-02 The declining religious participation among young adults or Rise of the Nones has signaled alarms across American Christianity A closer look into the faith lives of thirty young adults who are or were at one time connected with a church however shows an articulate and aesthetically embodied faith life that seeks out connection with others expression of their identity and an openness to encountering God Young adults see themselves and all people in this pluralistic world as bearing the image of God They see creativity in their own lives and in the lives of others as evidence of this identity This book is not an appeal to put more art into congregations but rather an invitation to attend to aesthetic embodied ways of knowing that exist among all people

Freedom's Furies Timothy Sandefur, 2022-11-01 In 1943 three books appeared that changed American politics forever Isabel Paterson's The God of the Machine Rose Wilder Lane's The Discovery of Freedom and Ayn Rand's The Fountainhead Together they laid the groundwork for what became the modern libertarian movement Even more striking were the women behind these books Paterson a brilliant but misanthropic journalist whose weekly column made her one of the nation's most important literary critics Lane a restless writer who secretly coauthored the Little House on the Prairie novels with her mother and Rand a philosophically inclined Russian immigrant ferociously devoted to heroic individualism Working against the backdrop of changes in literature and politics they joined forces to rally the nation to the principles of freedom that had come under attack at home and abroad Sometimes friends at other times bitterly estranged they became known as the three furies of libertarianism Now for the first time author Timothy Sandefur examines their lives ideas and influences in the context of their times Not a biography but a story about personalities and ideas about the literary political and cultural influences that shaped the destiny of freedom in America Freedom's Furies tells the dramatic story of three writers who strove to keep liberty alive in an age of darkness
