The New Evangelization, 2015-02-26 The Second Vatican Council endorsed an engagement with the modern and secularized world through a renewed proclamation of the Gospel John Paul II described this as the New Evangelization and in 2010 Benedict XVI confirmed this priority by creating the Pontifical Council for Promoting the New Evangelization to re-propose the perennial truth of the Gospel The New Evangelization was the subject of the Synod of Bishops in 2012 and in 2014 Pope Francis gave his reflections on the topic in Evangelii Gaudium The New Evangelization draws on material presented and discussed at the conference Vatican II 50 Years On The New Evangelization organised by Leeds Trinity University on 26-29th June 2012 Part I traces the historical and theological links between the Council and the New Evangelization Part II examines the renewed understanding of the Church as a result of the Council and the extent to which it is shaped by civilization Part III analyzes the nature of the New Evangelization and its outworking in today's multifarious context of cultures religions and societies Part IV deals with the implementation of the New Evangelization by different communities and organizations and the issues this raises In the Introduction and Conclusion the editors reflect on the New Evangelization in the light of significant developments since 2012

World Youth Day Jane Skjoldli, 2021-10-11 Can digital games help us understand real life religion With World Youth Day Religious Interaction at a Catholic Festival Skjoldli suggests that they can The change is particularly visible from Skjoldli's new theoretical framework religious interaction which draws on digital game studies The framework centers on three key terms interaction interface and immersion Interaction constitutes the core of the stipulative definition of religion operative in this framework interaction with culturally postulated superhuman persons Interface represents the means by which interaction takes place When interaction becomes emotionally charged immersion takes place whether it happens in religious contexts gaming contexts or other human activities like watching sports reading books playing instruments listening and or dancing to music Religious immersion Skjoldli suggests is helpful for understanding and making intelligible the emotional charge of human superhuman relationships the power and vulnerability of the religious interfaces that enable them the

significance of emotionally charged experiences they afford and the vexation expressed when interactions are frustrated by distraction distortion or destruction In this book Skjoldli employs her religious interaction framework in an analysis of how the Catholic festival World Youth Day WYD changed the meaning of pilgrimage in Catholicism WYD emerged from a ritual historical and cultural context abundant associations to pilgrimage as the term is conventionally understood by scholars WYDs are also consistently called pilgrimages even when the host locations are not officially sanctioned as such A substantive investment for the Catholic Church centrally locally and for the local event organizers each WYD draws hundreds of thousands to millions of young Catholics from around the world The pope always participates by giving speeches and leading some of the ceremonies WYD is persistently referred to as a pilgrimage and Skjoldli analyzes what pilgrimage has meant what it means now and how it changed in the context of WYD
