The Song Of Prayer A Practical Guide To Gregorian Chant:

The Song of Prayer The Community of Jesus, 2009 Chant is for everyone Prayer as Night Falls Kenneth Peterson, 2013-10-01 This beautiful book allows you to experience and participate in the last of the daily cycle of fixed hour prayer Compline Kenneth Peterson has sung Compline at St Mark's Episcopal Cathedral in Seattle since the mid 1960s and tells the story of the history and themes of the office woven together with reflections from his own spiritual journey Links are included to musical selections that illuminate the book's chapters A comprehensive look at this ever popular contemplative prayer service at the end of the day Flunking Sainthood Jana Riess, 2011-11-01 This wry memoir tackles twelve different spiritual practices in a quest to become more saintly including fasting fixed hour prayer the Jesus Prayer gratitude Sabbath keeping and generosity Although Riess begins with great plans for success Really how hard could that be she asks blithely at the start of her saint making year she finds to her growing humiliation that she is failing not just at some of the practices but at every single one What emerges is a funny yet vulnerable story of the quest for spiritual perfection and the reality of spiritual failure which turns out to be a valuable practice in and of itself Praise for Flunking Sainthood Flunking Sainthood is surprising and freeing it is fun and funny and it is full of wisdom It is in fact the best book on the practices of the spiritual life that I have read in a long long time Lauren Winner author of Girl Meets God and Mudhouse Sabbath Jana Riess reminds us that saints are different from most of us They are special we are barely normal They get it right we rarely get it They see God we strain to see much of anything And Jana is no saint Rather than climbing to the pinnacle and sitting on a pedestal to tell us how it could be Jana slides right next to us and reminds us that sainthood is overrated With humor and insight she whispers to us that our lives matter just as they are She prods us to never let our failures hold us back She calls us to something greater than spiritual success ordinary faithfulness Flunking Sainthood is the book I'm giving to my friends who are seeking to make sense of their emerging faith Doug Pagitt author of A Christianity Worth Believing Jana Riess may have flunked at sainthood but she's written a wonderful book It's both reverent and irreverent and it will make you want to become a better Christian or Jew or Muslim or Zoroastrian or Jedi or whatever you happen to be AJ Jacobs author of The Year of Living Biblically Warm light hearted and laugh out loud funny Jana Riess may indeed have flunked sainthood but this memoir assures us that she is utterly and deeply human and that is something even more wonderful Honest and sincere she will endear you from page one Donna Freitas author of The Possibilities of Sainthood With a helpfully hilarious account of her own grappling with godliness Jana Riess proves to be a standup historian well practiced in the art of oddly revivifying self deprecation She loves her guides historical and contemporary even as she finds them alternately impractical harsh or infuriatingly jolly The book is freaking wonderful a candid and committed tale of prayers that resists supersizing and spirituality that has no home save the glory and the muck of the everyday David Dark author of The Sacredness of Questioning Everything Jana Riess's new book is a delight fun funny engaging and a powerful reminder that the greatest

work in our lives is not what we'll do for God but what God is doing in us Margaret Feinberg www.margaretfleinberg.com author of *Scouting the Divine* and *Hungry for God* Flunking Sainthood allows those of us who have attempted new spiritual practices and failed to breathe a great sigh of relief and to laugh out loud Jana Reiss's exposé of her year long and less than successful attempts at eleven classic spiritual practices entertains and educates us with its honesty and down to earthiness In spite of Jana's paltry attempts at piety and her botched prayer makeovers God showed up in the surprising sneaky ways that only God does Jana is the kind of girlfriend I like to have hilarious smart stubborn irreverent and totally gaga over God She writes in the unfiltered uncensored way I'd write if I had the skill and the guts Oh sorry Mom I meant gumption not guts
