

An underwater photograph of a person swimming in clear, greenish water. The person is seen from the side, with their arms extended forward and legs trailing behind. The water is filled with many small, light-colored bubbles, creating a textured, shimmering effect. The lighting is soft and diffused, typical of an underwater environment.

*Is The Self Dissolved?* Dr. Vandana Pathak,2024-05-11 Dr Vandana Pathak invites you to explore the very essence of who we are in the modern world Is the Self Dissolved is her doctoral thesis and tackles a thought provoking question whether our sense of self has fundamentally changed When we read books of Victorian times we saw a linearity in characters there was sense and a clear trajectory like Pip s love for Estella But in the Modern age there is a lack of this centrality of the Self Let apart loving others finding meaning in social institutions we rarely know and love ourselves Hence Meursault Josef K and Roquentin are not just characters in iconic philosophical novels but rather pieces of the modern scattered humans who do not feel as whole as root or as centered as previous generations The modern Self seems in constant flux matching the external problem with an internal dissolution In this light this book uses history philosophy psychology and sociology to understand this dissolution of self This is made particularly poignant in light of recent global turmoil such as the Covid 19 pandemic and conflicts in Palestine and Ukraine Through this book Dr Vandana also urges readers to navigate these uncertain times with introspection of the Self and universal empathy

Sr. Mary Jean Dorcy O.P.,2015-10-08 ON a hot August night in 1221 a saint whom the Church has designated as a holy athlete of Christ finished his course and gave up his soul to the God whom he had served consistently and at great speed for fifty one years Around him were grouped his sons men of half a dozen nations who ten years before had hardly heard of Dominic Guzman and now were quite willing to die for him Like any father of any family he spoke to them of their inheritance not wealth for he had not even a room in which to die nor a habit in which to be buried But he left an immortal legacy a blazing enthusiasm for God which the Christian world had not seen since the day of Pentecost His testament was as simple and as potent as the Sermon on the Mount and dealt with the same basic verities Have charity one for another Guard humility Make your treasure out of voluntary poverty For a little over seven hundred years the sons and daughters of this man of God have tried to put into words something of the world shaking force that was Dominic No one has ever quite succeeded Getting St Dominic into print is like printing Fra Angelico in black and white In view of this it does not seem sanguine to judge that the time is ripe for a brief Life of St Dominic in English May it do its part in attracting to the Order fresh recruit from the strata of humanity that Dominic most loved the young and the courageous who will not shrink from the challenge implicit in St Dominic s words to Stephen of Spain as he clothed him with the habit of the Friars Preachers I give you arms with which throughout your life you may fight against the devil
