The Structure Of Biblical Authority

Aidan Nichols

The Structure Of Biblical Authority:

The Structure of Biblical Authority Meredith G. Kline, 1975 **The Structure of Biblical Authority** Meredith G. Kline, 1997-11-05 This Wipf Stock reprint edition of *The Structure of Biblical Authority* by Meredith Kline is a digitally scanned facsimile of the William B Eerdmans Publishing Company edition published in 1975 **The Enduring Authority of the Christian Scriptures** D. A. Carson, 2016-02-29 Valuable insights into key disputed topics from a veritable who's who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill Peter F Jensen Robert Kolb Anthony N S Lane Te Li Lau Richard Lints V Philips Long Thomas H McCall Douglas J Moo Andrew David Naselli Harold Netland Osvaldo Padilla Michael C Rea Bradley N Seeman Alex G Smith R Scott Smith Rodney L Stiling Glenn S Sunshine Timothy C Tennent Mark D Thompson Kevin J Vanhoozer Bruce K Waltke Barry G Webb Peter J Williams John D Woodbridge Calvin's Doctrine of Biblical Authority Abd-el-Masih Istafanous, 2010-09-06 Calvin's Doctrine of Biblical Authority offers a profound new approach to a long debated topic Istafanous draws upon Calvin's twofold structure regarding salvation to illumine the Reformer's twofold knowledge of God with particular focus on biblical authority In doing so Istafanous presents Calvin's view of biblical authority framed within modern discussions of inspiration In the 1539 edition of the Institutes and in all subsequent editions John Calvin presented justification and sanctification as the twofold grace of God He repeatedly taught this concept in all of his commentaries sermons and other writings More than any other reformer Calvin used the twofold grace to express the full relationship between justification and sanctification In the definitive edition of the Institutes 1559 Calvin introduced the concept of the twofold knowledge of God This framework has been considered by many as the ordering principle of the Institutes and all of Calvin's theology Istafanous argues that the twofold Grace inspired Calvin to introduce the concept of the twofold knowledge in 1559 Thus the twofold grace of God provides the key to understanding the twofold knowledge specifically and Calvin's theology generally **God's Word Alone---The Authority of Scripture** Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of

the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it is so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

The Drama of Doctrine Kevin J. Vanhoozer, 2005-01-01 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit-led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church's witness as prophetic and apostolic

Biblical Authority after Babel Kevin J. Vanhoozer, 2016-10-18 Christianity Today Book Award Winner A Jesus Creed Church History Book of the Year In recent years notable scholars have argued that the Protestant Reformation unleashed interpretive anarchy on the church Is it time to consider the Reformation to be a 500-year experiment gone wrong World renowned evangelical theologian Kevin Vanhoozer thinks not While he sees recent critiques as legitimate he argues that retrieving the Reformation's core principles offers an answer to critics of Protestant biblical interpretation Vanhoozer explores how a proper reappropriation of the five solas sola gratia grace alone sola fide faith alone sola scriptura Scripture alone solus Christus in Christ alone and sola Deo gloria for the glory of God alone offers the tools to constrain biblical interpretation and establish interpretive authority He offers a positive assessment of the Reformation showing how a retrieval of mere Protestant Christianity has the potential to reform contemporary Christian belief and practice This provocative response and statement from a top theologian is accessibly written for pastors and church leaders

Hermeneutics, Authority, and Canon D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent

discussions of the nature and authority of Scripture I would judge this to be one of the most valuable. Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking. In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well grounded position to offer. The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God. R T France, Vice Principal, London Bible College. These thought minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that Evangelicals must themselves resolve. This work rises above the shallow shadow boxing over inerrancy and engages central concerns with academic ability and dignity. It puts on the agenda issues that Evangelical leaders must now wrestle. Does the Bible contain different kinds of truth? Is all divine revelation rational? Is the canon really post apostolic? No reader will agree with all that is said, some will loudly disagree here and there. But all students will be stimulated and serious readers edified at the frontiers of current debate. Carl F H Henry, Lecturer at Large, World Vision.

Covenant Works T. Hoogsteen, 2015-10-30. In the development of *Covenant Works* I follow neither the way of the seventeenth century Federal Theology nor the way of nineteenth century Critical Theology nor the way of twentieth century Federal Vision nor the way of a compromise. *Covenant Works* lays open the Scriptures biblical structure. The author integrates the covenant, Christology, the trinity, the kingdom, the church and historical linearity into the Scriptures to reveal its architectonic unity.

Lovely Like Jerusalem Aidan Nichols, 2009-12-23. You are beautiful as Tirzah, my love, lovely like Jerusalem. Song of Songs. The highly regarded spiritual writer and theologian Fr Aidan Nichols O P presents an overview of the Old Testament by showing what it is and its relationship to the New Testament. He explains that it is essential for one to be familiar with the Old Testament in order to understand properly and in a deeper way the richness and message of the New. In particular Fr Nichols shows how important it is to grasp that connection in order to understand better and to believe in the message and the person of Christ. Ignorance of the Old Testament makes it impossible to comprehend the entire divine plan that stretches between the two Testaments. Nichols maintains that we are ill equipped to read and understand the great theologians, saints and Scripture commentators of the Christian era without a deep familiarity with the Old Testament. Even understanding and appreciating the art of the Church remains limited if the Old Testament is a closed book for us. Nichols made use of studies by biblical experts from various Christian denominations, notably Evangelicals and Anglicans, in writing this widely appealing work. He also drew on the Fathers and Doctors of the Church to help illuminate the beauty of the relationship between the two Testaments.
