The Vinedressers Notebook Spiritual Lessons In Pruning Waiting Harvesting Abundance:

The Vinedresser's Notebook Judith Sutera, 2014-04-15 Scripture is filled with images and stories of grapevines and vine tending. Yet few modern people have any idea of what that entails and the deep levels of symbolism that were intended in the Bible and comprehended by an agrarian people. Written by a vinedresser, theologian, psychologist, and nun, this illustrated gift book centers on a visual meditation combined with short reflections about the spiritual life, extending the spiritual metaphor of the vineyard, the vinedresser, and Jesus' teachings. In some ways, it is akin to the adult picture books in the vein of such classics as *Hope for the Flowers*. The words are simple and few, the pictures clear and evocative as much a part of the meditation as the words. *The Vinedresser's Notebook* can be used as a 40-day devotional in a group setting or as an inspirational book.

Lessons from the Master Gardener Donna J. Ashby, 2021-05-20 *Lessons From The Master Gardener* is a parallel of botanical and Biblical principles that enhance the application of scripture in a believer's life. The nine chapters start with soil preparation and progress through harvesting the crop. Each chapter springboards from a scriptural passage related to an agricultural process. A divine picture is drawn of the relationship between the physical world in which we live and the spiritual realities we need to know in order to live a victorious life.

The Abundance of the Garden Douglas E. Prevette, 2014 *The Abundance of the Garden* creates a hybrid of the seasoned and tested wisdom for cultivating a garden that yields an abundant harvest and the humble truths the Bible offers for people desiring to live faithful and fruitful lives following Jesus Christ. Author Douglas E. Prevette draws upon experience teaching agricultural education, raising diverse horticultural crops, and following Christ to offer a practical guide for both gardening and living fruitfully. Each chapter combines key Bible passages speaking of the intertwined disciplines of tending life and living faithfully, practical and informed insights guiding deliberate and patient horticulture, and the voices of others living the faith. This fertile combination yields a reflective handbook, equally at home sitting in the study next to one's Bible or in the garden beside one's hoe. Addressing topics like *The Good Seed* and *Reap the Harvest*, this guide also presents helpful advice for month-to-month work in the garden and guidance on discerning God's plans for living an abundantly faithful life. If you treasure land blooming with the wonders of God's creation and desire life blooming with the wonders of
