The Waiting Room Where Will You Spend Eternity:

The Waiting Room Cleveland O. McLeish, 2015-10-25 Five strangers share one specific location for only a moment in their earthly lives then wake up in a Waiting Room with no idea how they got there and where they are Like a puzzle the pieces begin to come together when characters begin to see and interact with people from their past who had died The shock is even more compounded when a Messenger comes on with a bible and tells them they are waiting to meet with Jesus *Who I Am In Christ* Cleveland O. McLeish, 2015-12-02 The major issue affecting Christians today is an identity crisis We don't know who we are There is a disconnect between the Word of God and the Sons and Daughters of God walking this earth today Our ignorance leads to oppression torment sickness and untimely death as the kingdom of darkness wield its influence in the world unchallenged Jesus is the standard for Christian living the perfect model of who we are how we should operate in this earth and how we should live You need to know believe and declare these truths about who you are It will change your life These aren't meant to be read silently or spoken through puckered lips They are meant to be declared aloud to cause a stir and a ripple effect that will be felt for many generations to come When you begin to believe what God has said about you you will begin to do what He says you can do It's not a formula it's a divine design Mountain Peaks MICHAEL JEAN NYSTROM-SCHUT, 2004-06-17 In just about every book you pick up to read information is set forth that has the raw potential to affect you the reading inquirer in a variety of ways This particular book is perhaps especially like that since it covers a wide range of topics and spans a plethora of perception And it will frequently swerve far from the mainstream of conventional thinking As to the general thought presented some of it contained herein will no doubt make you want to yawn You will already personally know what I am suggesting about something and maybe even considerably more on it than I do You will wonder why I bothered to express an idea that was so obvious so basic so simple Perhaps the very next thought will cause you to bristle you won't appreciate or respect the point You will not agree You will see it differently You will object to the very insinuation that I would have thought to write it down At some point you might start to wonder about me the imperfect amateur writer thinker theorist philosopher that I am Still other thoughts will mildly pass in your book as either amusing or entertaining or at least worth as much time to you had you spent the same amount of time petting your cat Every book has plenty of that this one no doubt included Finally though and this finally is why I applied myself very diligently to get this quite lengthy work written there will be the occasion when you will feel refreshed with the breeze of an enlightening concept it will smack you in a soft spot as you experience the euphoria of having had your mind stimulated and your spirits lifted For these times the book was written and in those few or many instances you will openly be openly thankful just as I was grateful to the Universe for showing to me these things in the first place Living a full life is in many ways a matter of simply passing on intelligent logic and inspiring hope doing so in the form of core concepts to those who come after we do I sincerely hope we are able to do some of that for you here **Out of the Flame** Betty Chisholm, 2019-05-28 As number five

in a family of seven children Betty Elizabeth was an adventurous and mischievous toddler An early fascination with fire left her tottering between life and death Facing a lifetime of medical interventions and adjustments she soon learned that scars pain and loneliness would leave her longing for peace something that seemed well out of reach Regrettable choices that included abortion and a broken marriage resulted in a downward spiral of hopelessness shame depression and attempted suicide Even the fame and potential fortune of her 1 hit on the Country Music charts left her empty and searching Her dramatic journey to the cross and the naivet of her newly discovered walk with Jesus will leave you both laughing and crying Betty s story is one of God s amazing redemptive plan that has taken her across the globe behind prison bars and into healing favour and victory
