The Wall The Mount And The Mystery Of The Red Heifer:

The Wall, the Mount, and the Mystery of the Red Heifer Sidney Silverman, 2014-12-09 At Jerusalem's Western Wall a group of progressive Jewish women clash with ultra Orthodox Jewish men over the right to pray at the holy site while wearing traditionally male prayer garments All parties involved in the conflict are Jewish If Israel's Jewish sects cannot get along how will Jews and Muslims find peace Sidney B Silverman's new novel *The Wall the Mount and the Mystery of the Red Heifer* explores the powerful personal beliefs that drive conflict in the Middle East through three very different but equally incendiary conflicts The story begins with the women's fight for equal access to the Wall and weaves through the struggle for control of the Temple Mount It's long been prophesized that the appearance of a rare pure red heifer will signify the rebuilding of the Jewish temple When a rabbi finds such a cow mysteriously tied to a post outside his home it seems the time has come What outcome will the heifer's appearance have on the third and most seminal battle the Israeli Palestinian conflict There are two sides to every story and Silverman brings vivid life to the personal narratives of the various stakeholders

The Betrothed Bride of Messiah Rick Deadmond, 2007-03 From the very beginning God planned an eternal marriage with redeemed man There are seven holy rehearsals that God has given mankind to learn and experience His plan The material covered in this book is based upon the Scripture coupled with ancient rabbinic commentaries and interpretation Biblical Studies

Treasures of the Messiah Amos C Long III, 2014-09-24 *Treasures of the Messiah* is a personal journey with Yahshua Jesus that still continues Since 2006 G d opened my eyes to the hidden things of His word Layer after layer of teaching and revelations I finally realized that there is no end to the depths of G d and the Messiah In fact I began learning so much that I started to forget the special and valuable treasures which the L rd had hidden So I began making notes and shared them with my uncles George and Brian Herman The excitement we had when a parable or a hidden word was opened to us The learning became so vast that I decided to record it in a book and share with others My uncles and I are pleased to give you the opportunity to receive the treasures the L rd has so graciously given unto us May you enjoy it as we have I hope it is a pleasure for the Jewish reader and non Jewish reader The goal is to bridge the gap between both groups so both see the beautiful design and mysteries of the Messiah as a whole

China and End-Time Prophecy Eugene Bach, 2021-08-31 In China an Army Is Rising For years China's population size economic growth and thirst for military power have taken center stage by those who study biblical prophecy Most end time experts have seen the Red Dragon as an aggressor to Israel In Revelation 16 and 19 John's mention of the armies involved in the final battle marking the end of the world could well depict China's army today However a different kind of army is also rising in China and it is quickly approaching two hundred million people This army is for Christ not against Him It is a host of Christians from the Chinese underground house church who are fighting a battle against principalities and powers and spreading the gospel in unprecedented ways under intense persecution These Christians are motivated by a powerful vision called Back to Jerusalem The Chinese church is quietly

working to complete the Great Commission by bringing the gospel to unreached peoples in China's eastern provinces and to all the countries between the border of China and the city of Jerusalem Yet there's even more to this fascinating development What you read in this book may change your view of end time prophecy Back to Jerusalem is not just a missions movement of the Chinese church It is an eschatological event confirmed by both the Old and New Testaments God is using the Red Dragon to fulfill His ultimate purposes China and End Time Prophecy explores the surprising connection between ancient prophecy and China's modern missions phenomenon This book will give you a new vision of what it means to go into all the world with the gospel Most of all it will show you why the completion of the Great Commission is inevitable and the return of Christ is unstoppable

Twelve-Tribe Nations John Michell, Christine Rhone, 2008-10-24 The symbolism and use of the number twelve in organizing ancient societies Connects the zodiac the twelve months of the year and the political divisions of ancient nations Explores the sacred geography of ancient landscapes in Europe and Israel Throughout the world in countries as far apart as China Ireland Iceland and Madagascar there survive records and traditions of whole nations being divided into twelve tribes and twelve regions each corresponding to one of the twelve signs of the zodiac and to one of the twelve months of the year Best known are the twelve tribes of Israel under King Solomon but there have been many others Wherever they occur they are associated with an ideal social order and a golden age of humanity Exploring examples of these twelve tribe societies John Michell and Christine Rhone explain the blueprint for this organizational structure and look at the musical mythological and astronomical enchantments that kept these societies in harmony with the cosmos They also examine the astrological landscapes of classical Greece the aligned St Michael sanctuaries of Europe and the true site and function of the Temple in Jerusalem They show that the sacred geography of these sites was part of an ancient code of knowledge that produced harmony between nature and humanity and is as relevant to our present and future as it was to our past

The Oxford Handbook of Millennialism Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures

Endtime, 1996 **Mountaintop Theology** Larry R. Helyer, 2016-08-26 Mountaintop Theology invites the reader to revisit biblical events that occurred on the slopes or summits of mountains Employing the disciplines of historical geography and biblical theology Helyer probes the theological truths underlying these mountaintop experiences The intent is to gain a fresh perspective on the defining doctrines of evangelical faith

Jerusalem Lee I. Levine, 2002-12-02 Jerusalem in the Second Temple period experienced dramatic growth as it achieved unprecedented political religious and spiritual prominence Lee Levine traces the development of Jerusalem during this time through its urban demographic topographical and archaeological features its political regimes

public institutions and its cultural and religious life *Philosemites Or Antisemites?* Yaakov Shalom Ariel,2002 The attitude toward Jews of evangelical Christians is dualistic it is the most complex and ambivalent of all Christian and non Christian modern attitudes toward Jews These Christian fundamentalists view contemporary Jews both as heirs to biblical Israel and as crucial to the coming of the messianic age At the same time unless they accept Jesus Jews are spiritually and morally lost and hence require extensive missionary efforts Leading evangelists often resort to negative stereotypes of Jews although they support the State of Israel as a precursor of their messianic age Concludes that evangelicals are neither philosemitic nor antisemitic While some evangelical Christians opposed Hitler and Nazism and a number even took part in the rescue of Jews they attributed the Holocaust not to antisemitism but to the temporary triumph of anti Christian values **Prophecy Flash!**,1997 *The Treasure of the Copper Scroll* John Marco Allegro,2023-10-27 First published in 1960 The Treasure of the Copper Scroll is the companion volume to John Marco Allegro s *People of the Dead Sea Scrolls* and tells the story of this unusual buried treasure Allegro here reveals much hitherto unknown information the location of many of the cities of the Old Testament events of the second Jewish Revolt and the relation between the Essene community at Qumran and the New Testament interest in healing With facsimiles of the scroll translations of its texts and a thorough discussion of its significance with maps indicating many of the probable present day hiding places the book is a truly fascinating report on this unusual document and a first long step toward the unravelling of its secrets New South Wales Government Gazette,1916 The Breeder's Gazette,1887 **Religious and Theological Abstracts**,1987 **The Country Gentleman**,1898 **Religion Index One**,1979 **Live Stock Journal**,1902 Milking Shorthorn Journal,1958 *Billboard Music Week*,1939
