The Water Code Unlocking The Truth Within:

The Water Code Rainey Marie Highley, 2012-06-01 Imagine an undisclosed legacy that contains the secrets of millennia past Consider the possibility that a species of profound capacity co exists and shares our experience of life on Earth The Water Code reveals that water in spite of its apparent simplicity seemingly endless abundance and presence within our physical bodies is a highly evolved species holding billions of years of planetary history within its molecular structure In this book water initiates communication with humanity by sharing a message of compassion empowerment transformation and enlightenment Water discloses that it is coded to release Earth s Akashic Records at this exact moment in human evolution a moment when the collective vibratory frequency has opened the floodgates of Truth The Water Code guides readers through the process of establishing communication with water Instruction is offered to aid one on this journey within facilitating an increase in personal frequency by making and drinking harmonized water integrating color and balancing and energizing the 13 chakras With communication established water s code can be unlocked through focused meditation on a sacred geometric Key presented in this book This unlocking reveals secrets of the 9 quantum realms of the Microverse and provides readers with an initial exploration into Earth s Akashic Library The Water Code is more than just a book It is an act of compassion on behalf of water offering humanity the insights and tools necessary to facilitate Earth s transformational jump into a new era of Harmony Freedom and Truth

Water Entanglement Claudiu Murgan, 2018-08-20 When will we understand that water has memory water is alive and the time for her to awaken is NOW What will humanity do if the scarcity of water becomes a reality and not just a subject for movies Why can t we comprehend that we are made of structured water and that by disrespecting the water we disrespect ourselves Since the creation of earth water and crystals have weaved their paths into a billion year long tapestry that has captured the cycles of nature s evolution It has observed the appearance of humans and their troubled but fascinating development and the energies and vibrations of everything that is part of this amazing eco system In 2055 water activists are fighting against irresponsible corporations that pillage the earth Hayyin the hidden identity of Cherry Mortinger a limnologist is leading the movement Will she be able to prove that water has memory and is alive and that we could awaken to the possibility of facing a fierce battle against the primordial element that gave us life WATER Although many are not willing to accept that water has memory and is alive this book awakens us to the possibility of fighting a fierce battle against the primordial element that gave us life WATER

Crystal Cloud Claudiu Murgan, 2020-08-25 Water was always on our side we were the ones who strayed After the initial shock of the world s water awakening humanity comes together to put measures in place to ease adverse climate changes Cherry Mortinger the limnologist behind Hayyin s enigmatic identity works on creating a universal language for water while Ilanda Mazandir the neurosurgeon that successfully healed a comatose patient using crystal implants in the eyes fights to protect her technology from being misused Unknown to the masses but attracted by its novelty the crystal implants open up unexplored areas of the brain bordering on

telepathy and increased consciousness A crystal cloud network is the next step in connecting the world in a much more considerate and empathic way Crystal Cloud the sequel to Water Entanglement is a work of eco fiction bringing to the forefront water's ability to heal us when treated with reverence and hurt us when treated with ignorance and disrespect so prevalent in our society

A Cluster of Cancers Dr. Sherry L. Meinberg, 2015-08-27 *A Cluster of Cancers A Simple Coping Guide for Patients* brings a positive approach to the subject showing how readers can participate in the healing process alongside their treatments It covers the gamut of self help issues that cancer patients contend with thirty one subjects Half of the quotes are by medical doctors and psychologists while the other half are by experts in their fields or famous names Supportive and encouraging the practical suggestions provide a different slant from other cancer books as it is written by a cancer survivor
