Veldman, Michael Maas, 2009-08-01 For today's busy student we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook ready loose leaf version allowing students to take only what they need to class. As an added bonus each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best selling multimedia products. Best of all Our Books a la Carte Plus titles cost less than a used textbook.

The West Encounters Transformations takes a new approach to telling the story of Western Civilization. Rather than looking at Western Civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the changing nature of the West, how the definition of the West has evolved and transformed throughout history. The text presents a balanced treatment of political, social, religious, and cultural history and emphasizes the ever-shifting boundaries of the geographic and cultural realm of the West.

Gandhi: a CEO Absolutely and an incomparable example for our uncertain times when we need leaders we can trust and admire. Not only was he a moral and intensely spiritual man but also a supremely practical manager and a powerful agent for change, able to nurture the rebirth of an entire nation.

Alan Axelrod looks at this much studied figure in a way nobody has before, employing his fluid, engaging, and conversational style to bring each lesson to life through quotes and vivid examples from Gandhi's life.
