The Wonders of Bible Chronology is a study of the Biblical timeline by Philip Mauro an author of Christian texts who acquired great fame in the early to mid 20th century In this detailed study Mauro discusses a series of important Biblical events whose chronology is not immediately clear to the student of the Bible Throughout this book he accompanies his narration with a series of tables which cite the respective events the corresponding Biblical passage and the year These sequential timelines clarify the sequence of events allowing the reader to better understand the books Particular focus is given to the books of the Bible which feature numerical and historical allusions These include Genesis Numbers Judges and Daniel It is with skill and care that Mauro quotes specific passages explaining why he arrived at the conclusion that given events occurred when they did in a manner both interesting and compelling to behold In the case of complex stories such as the Seventy Weeks of Daniel this book acts as a superb supplement to Bible study for the clarity Mauro imbues to the passages These accompanied by his chronological diagrams shine a light on the books of the Bible an understanding of the timeline was for Mauro crucial to experiencing the fullest wisdom and wonder present in the word of God Through much of his long life Philip Mauro worked where his gift for words could be put to good use A successful lawyer who labored alongside the United States Supreme Court it was only during his mid forties that Philip Mauro experienced a revelation from the Lord and duly began to write books with the aim of enlightening his fellow Christians This was a duty he accomplished with great reverence for the divine until his death in 1952

The Philosophy of the Christian Curriculum R. J. Rushdoony,2012-10-17 The Christian School represents a break with humanistic education but too often in leaving the state school the Christian educator has carried the state s humanism with him A curriculum is not neutral it is either a course in humanism or training in a God centered faith and life The liberal arts curriculum means literally that course which trains students in the arts of freedom This raises the key question is freedom in and of man or Christ The Christian art of freedom that is the Christian liberal arts curriculum is emphatically not the same as the humanistic one It is urgently necessary for Christian educators to rethink the meaning and nature of the curriculum It should be clear then that whether history science mathematics grammar literature ecology civic duty or law every aspect of curriculum must be reconstructed along Biblical lines The overall objective is for Christian families to prepare and equip

themselves for service in the Kingdom of God and this cannot be done without a rethinking of the philosophy of the Christian curriculum In this study Rousas John Rushdoony develops the philosophy of the Christian curriculum It is the pioneering study in this field and it is important reading for all Christian educators **Prophecy Unveiled** John Buckley,2007-09 Dr Buckley skillfully explores many of the hidden but powerful prophecies in the Bible His very clear biblical exposition defangs some cherished doctrinal issues such as dispensationalism dual covenant restoration of Israel to its homeland and the rapture Social Issues **The TRUE Bible Timeline** R. Craig Bridgforth,2021-03-10 It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth Proponents conclude that since the church is unsure of when these events transpired perhaps they never happened in the first place Unfortunately this alarming trend appears to be gaining more acceptance in our seminaries and churches The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament The result of a five year long project it accurately establishes and painstakingly documents the dates of key Bible figures and events starting with the Creation of Adam and ending at the Cross of Christ The complete chronology for 200 Bible events is included in the appendix Guided by His Wisdom author R Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight Developed almost entirely from Scripture this reference guide provides a reliable chronology of events and figures from the Old Testament
