

THE WORK OF PRINT

Authorship and the English Text Trades, 1660–1760

LISA MARUCA

The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations

Marshall Brown

The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations:

The Work of Print Lisa M. Maruca, 2012-03-15 The Work of Print traces a shift in the very definition of literature from one that encompasses the material conditions of the production and distribution of books to the more familiar emphasis on the solitary author's ownership of an abstract text Drawing on contemporary accounts of those involved in the trade printers booksellers publishers and distributors Lisa Maruca examines attitudes about the creative process and approaches to the commodification of writing The work of print describes the labors through which literature was produced both the physical labor of making books and the underlying cultural work performed by a set of ideologies about who counted as a maker of texts Printers manuals tracts on typography legal documents and booksellers autobiographies reveal that print workers conceived of their roles as central to the production of literature Maruca's insightful readings of these documents alongside traditional works of fiction and authors correspondence show that the claims of print workers and booksellers were part of a struggle for ownership and control as the concept of author as proprietor of his or her intellectual property began to take hold in the mid 1700s gradually eclipsing print workers contributions to the process of textual creation The print trade asserted its authority using a rhetoric of hierarchical and binary sexuality and gender which affected women working in the industry and limited the type of work they were allowed to perform In response women developed strategies to redeploy conventional ideas of gender to gain concessions for themselves as publishers and distributors of printed material strategies that formed a foundation for the rise of female authorship later in the eighteenth century Encompassing the histories of literature labor technology publishing and gender The Work of Print ultimately offers significant insights into the ideology of authorship and intellectual property and our understanding of textuality and print in the digital age

The Work of Print

Lisa Maruca, 2007 Traces a shift in the very definition of literature from one that encompasses the material conditions of the production and distribution of books to the more familiar emphasis on the solitary author's ownership of an abstract text Drawing on contemporary accounts of printers booksellers publishers and distributors the author examines attitudes about the creative process and approaches to the commodification of writing

Febris Erotica Valeria Sobol, 2011-05-01 The destructive power of obsessive love was a defining subject of eighteenth and nineteenth century Russian literature In *Febris Erotica* Sobol argues that Russian writers were deeply preoccupied with the nature of romantic relationships and were persistent in their use of lovesickness not simply as a traditional theme but as a way to address pressing philosophical ethical and ideological concerns through a recognizable literary trope Sobol examines stereotypes about the damaging effects of romantic love and offers a short history of the topos of lovesickness in Western literature and medicine Read an interview with the author http://www.rorotoko.com/index.php/article_valeria_sobol_interview_febris_erotica_lovesickness_russian_literary_imagin

Mind's World Alexander M.

Schlutz, 2010-05-01 Winner of the 2009 International Conference on Romanticism's Jean Pierre Barricelli Award for the best

book in Romanticism studies As the mental faculty that mediates between self and world mind and body the senses and the intellect imagination is indispensable for modern models of subjectivity From Ren Descartes s Meditations to the aesthetic and philosophical systems of the Romantic period to think about the subject necessarily means to address the problem of imagination In close readings of Descartes Kant Fichte Hardenberg Novalis and Coleridge and with a sustained return to the origins of the discourse about imagination in Greek antiquity Alexander Schlutz demonstrates that neither the unity of the subject itself nor the unity of the philosophical systems that are based on it can be conceptualized without recourse to imagination Yet philosophers like Descartes and Kant must deny imagination any such foundational role because of its dangerous connection to the body the senses and the unruly passions which threatens the desired autonomy of the rational subject The modern subject is simultaneously dependent upon and constructed in opposition to imagination and the resulting ambivalence about the faculty is one of the fundamental conditions of modern models of subjectivity Schlutz s readings of the Romantic poet philosophers Coleridge and Hardenberg highlight that also their texts are not free of fears about the faculty s disruptive potential and its connection to the body While imagination is now openly enlisted to produce the aesthetic unity of subjectivity it still threatens to unravel and destroy a subject that needs to keep the body and its desires at bay in order to secure its rational and moral autonomy The dark abyss of a self not in control of its thoughts feelings and desires is not overcome by the philosophical glorification of the subject s powers of imagination

The Tooth That Nibbles at the Soul Marshall Brown, 2014-07-01 The Tooth that Nibbles at the Soul brings together Marshall Brown s new and previously published writings on literature and music These essays engage questions that are central to the development of literature music and the arts in the period from Romanticism at the end of the eighteenth century to the avant garde movements of the early twentieth a period in which the modern evolution of the arts is coupled with a rise in the significance of music as artistic form With a special focus on lyric poetry and canonical composers including Mozart Bach Beethoven Brahms and Schubert Brown ties the growing prominence of music in this period to the modernist principle of abstraction Music as Brown provocatively notes conveys meaning without explicitly saying anything This principle of abstraction could be taken as the overriding formula for modernist art in general and it explains why in this period music becomes the model to which all the other arts in particular painting and literature aspire Brown s title taken from a poem by Emily Dickinson reminds us that abstraction musical and artistic is anything but toothless indeed it nibbles at the soul in subtle and enduring ways Throughout his wide ranging and erudite analysis Brown s goal is to pinpoint the nature of music s bite and to illuminate the shared elements of literature and music While there are many previous comparisons of music and poetry few are systematic or based on a solid knowledge of both literary criticism and musicology Brown s essays can be enjoyed by a general well read public not trained in either music or eighteenth century literature as well as by an audience steeped in sophisticated if not technical musical analysis

The Little Everyman Deborah Needleman Armintor, 2011-10-01 Eighteenth century English

literature art science and popular culture exhibited an unprecedented fascination with small male bodies of various kinds Henry Fielding's *Tom Thumb* plays drew packed crowds while public exhibitions advertised male dwarfs as paragons of English masculinity Bawdy popular poems featured diminutive men paired with enormous women and amateur scientists anthropomorphized and gendered the minute bodies they observed under their fashionable new pocket microscopes Little men both real and imagined embodied the anxieties of a newly bourgeois English culture and were transformed to suit changing concerns about the status of English masculinity in the modern era *The Little Everyman* explores this strange trend by tracing the historical trajectory of the supplanting of the premodern court dwarf by a more metaphorical and quintessentially modern little man who came to represent in miniature the historical shift in literary production from aristocratic patronage to the bourgeois fantasy of freelance authorship Arminator's close readings of Pope Fielding Swift and Sterne highlight little recognized aspects of classic works while demonstrating how the little man became an everyman

Money Matters Richard T. Gray, 2018-03-23 In *Money Matters* Richard Gray investigates the discourses of aesthetics and philosophy alongside economic thought arguing that their domains are not mutually exclusive The transition in Germany from an agrarian or proto industrial economy to a capitalist industrial economy which was paralleled by a shift from the exchange of money in coin to the use of paper currencies occurred simultaneously with an efflorescence of German language literature and philosophy Based on close readings of canonical literary and philosophical texts Gray explores how this confluence led to a rich cross fertilization between economic and literary thought in Germany during this period *Money Matters* documents the surprising degree to which literature and philosophy participated in the creation of modern economic paradigms as well as the extent to which economics influenced literature and philosophy The cultural artifacts of the period demonstrate the existence of an economic unconsciousness persistent notions of value and exchange that inflect the aesthetic and thematic dimensions of literary and philosophical texts This book offers a thought provoking and original analysis of literature and ideas in the critical transition period from Kant and Goethe through the German Romantics to Marx

The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide

range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations is one of the best book in our library for free trial. We provide copy of The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations. Where to download The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations online for free? Are you looking for The Work Of Print Authorship And The Englishtext Trades 1660 1760 Literary Conjugations PDF? This is definitely going to save you time and cash in something you should think about.
