Lamm,2017-02-06 The Wiley Blackwell Companion to Christian Mysticism brings together a team of leading international scholars to explore the origins evolution and contemporary debates relating to Christian mystics texts and the movements they inspired Provides a comprehensive and engaging account of Christian mysticism from its origins right up to the present day Draws on the best of current scholarship by bringing together a collection of newly commissioned readings by leading scholars Considers examples of mysticism in both Eastern and Western Christianity Offers a brilliant synthesis of the key figures and historical periods of mysticism its core themes such as heresy gender or aesthetics and its theoretical considerations including theological literary social scientific and philosophical approaches Features chapters on current debates such as neuroscience and mystical experience and inter religious dialogue *This Monastic Moment* John W. de Gruchy,2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss Kairos is apocalyptic time and it is here and now Such is the time in which we need to listen again to St Benedict of Nursia Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now So St Benedict __een hundred years a_er he wrote his Rule continues to tell us to listen wake up and run while there is still light _is is a time for both contemplation and action prayer and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue *This Monastic Moment* John De Gruchy,2023-09-28 Kairos is used in the New Testament to signify a pivotal moment in history a critical time of judgement and opportunity where chaos must be faced and one must change their ways before it becomes irreparable Confronted by the Covid 19 pandemic and mandatory isolation John de Gruchy felt a similar need to adapt and respond In doing so he found a deepening in his desire for authentic humanity genuine community and the opportunity affirm his conviction that true humanity is rooted in God wisdom and the struggle for justice *John of the Cross and the Cognitive Value of Mysticism* Steven Payne,1990-07-31 This book is a significant contribution to the literature on mysticism and the epistemology thereof It is recommended to all those interested in the mystics and in the question of the cognitive value of mysticism Review of Metaphysics March 1992 *Christian Mysticism* Harvey D. Egan SJ,1998-09-16 Christian mysticism is unique in its view of Jesus death and resurrection as the very cause and exemplar of the mystical life in all its purity Jesus saving death on the cross exemplifies the mystical letting go of everything consoling tangible and finite in order to surrender totally to the mystery of the Father s unconditional love In this introduction to Christian mysticism

Reverend Harvey Egan S J presents four Christian mystics as paradigms of the classical tradition St Ignatius of Loyola St Teresa of Avila St John of the Cross and the unknown author of the Cloud of Unknowing From this foundation he moves to two contemporary figures Thomas Merton and Pierre Teilhard de Chardin each of whom reflects a contemporary transposition of the two mystical traditions the apophatic which emphasizes the radical difference between God and creatures and the kataphatic which emphasizes the similarity between God and creatures

Zen and the Kingdom of Heaven Tom Chetwynd, 2001-03 Using the teachings of Christ and the writings and stories of Christian spiritual masters Chetwynd delves into the history of the tradition of meditation within Christianity Zen the Kingdom of Heaven offers provocative insights into the role of meditation in the East and the West

Soundings in the Christian Mystical Tradition Harvey D. Egan, 2010-10-01 Called in a special way to listen to God s whispers the mystics amplify not only what it means to be baptized into the life death and resurrection of Jesus Christ and to having the Trinity living in them but also what is deepest in the human spirit Mystics experience themselves as an infinite question to which only God is the answer as an immense longing that only Love can quench as a nothing in the face of the No Thing They are God s fools troubadours the great artists and poets of the interior life whose learned ignorance articulates the art of loving God neighbor self the Church and the world In *Soundings in the Christian Mystical Tradition* Harvey Egan draws on fifty years of reading and teaching the mystics to sketch the varieties and passion of the mystical life across more than two millennia Through their stories and words Egan reveals that all were conscious of the paradox of human identity supremely and unsurpassably manifested in the God Man that the genuinely human is disclosed only through surrender to God and that the search for God cannot bypass the genuinely human Harvey D Egan SJ is the author of numerous works on Christian mysticism and the thought of Karl Rahner He is currently professor of
