Music and Identity in Twenty-First-Century Monasticism Amanda J. Haste, 2023-10-20 Twenty first century monastic communities represent unique social environments in which music plays an integral part This book examines the role of music in Catholic Anglican Episcopalian and neo monastic communities in Britain and North America engaging closely with communities of practice to provide a penetrating insight into the role of music in self care and as a vector for identity construction on both individual and community levels The author explores the essential role of music in community dynamics the rationale for using instruments the implications of both chant based and freestyle composition gender related differences in musical activity the role of dance music made visible in community life the commodification of monastic music the Singing Nun phenomenon and the role of music in established and emerging neo monastic communities The result is a comprehensive and compelling study of the agency of music in the construction and expression of personal and community identity

Monasticism in Modern Times Isabelle Jonveaux, Stefania Palmisano, 2016-10-14 This book presents a broad sociological perspective on the contemporary issues facing Christian monasticism Since the founding work of Max Weber the sociology of monasticism has received little attention However the field is now being revitalized by some new research Focusing on Christian monks and nuns the contributors explore continuity and discontinuity with the past in what superficially might appear a monolithic tradition Contributors speak not only about monasticism in Europe and the United States but also in Africa and Latin America a different landscape where the question of recruitment does not figure among issues considered as problematic

Encyclopedia of Monasticism William M. Johnston, 2013-12-04 The two volume Encyclopedia of Monasticism describes the monastic traditions of both Christianity and Buddhism with more than 600 entries on important monastic figures of all periods and places surveys of countries and localities and topical essays covering a wide range of issues e g art behavior economics liturgy politics theology and scholarship Coverage encompasses not only geography and history worldwide but also the contemporary dilemmas of monastic life Recent upheavals in certain countries are highlighted Korea Russia Sri Lanka etc Topical essays subtitled Christian Perspectives and Buddhist Perspectives explore in imaginative fashion comparisons and contrasts between Christian and Buddhist monasticism Encyclopedia of Monasticism also includes more than 500 color and black and white illustrations covering all aspects of monastic life art and architecture

Green Monasticism , **Monasticism and Civilization** John Bonaventure O'Connor, 1921 *Monastic Perspectives on Temporality* Riitta Hujanen, 2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do

contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one's concept of time How is time perceived towards the end of one's monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources

The Monastic World Andrew Jotischky, 2025-01-14 A major new history of medieval monasticism from the fourth to the sixteenth century From the late Roman Empire onwards monasteries and convents were a common sight throughout Europe But who were monasteries for What kind of people founded and maintained them And how did monasticism change over the thousand years or so of the Middle Ages Andrew Jotischky traces the history of monastic life from its origins in the fourth century to the sixteenth He shows how religious houses sheltered the poor and elderly cared for the sick and educated the young They were centres of intellectual life that owned property and exercised power but also gave rise to new developments in theology music and art This book brings together the Orthodox and western stories as well as the experiences of women to show the full picture of medieval monasticism for the first time It is a fascinating wide ranging account that broadens our understanding of life in holy orders as never before

Monastic Life in the Middle Ages Francis Aidan Gasquet, 1922

John Cassian and the Reading of Egyptian Monastic Culture Steven D. Driver, 2013-11-05 This book examines the method of meditative reading encouraged by John Cassian c 360-435 in his ascetic writings the bulk of which are fictive dialogues that purportedly record the instruction he had received from Egyptian Christian monks This instruction was at its core an interactive experience depending upon both the discernment of the master and diligent application of instruction by the student Driver examines Cassian's understanding of the act of reading and suggests the implications of this for Cassian's monastic teaching and it interprets Cassian's method of reading in light of contemporary discussions of reading and the self
