Portraits of psychical entities not seen by normal vision 2 Pictures of objects not seen nor thought of by the sitter or by the medium or operator such as flowers words crosses crowns lights and various emblematic objects 3 Pictures which have the appearance of being copied from statues paintings or drawings Sometimes these are busts or heads only The flatness in some photographs of this class is supposed by persons who have not investigated the subject to be proof that the photographs are produced in a fraudulent manner 4 Pictures of what are called materialised forms visible to normal sight 5 Pictures of the wraith or double of persons still in the body 6 Portraits on plates which developers have failed to bring into view but that can be seen and described by clairvoyants and by mediums when in trance and whose descriptions agree though made independently The Veil Lifted: Modern Developments of Spirit Photography Various,2019-12-03 In The Veil Lifted
