## **The Voices Of God Hearing God In The Silence:**

The Voices of God Charles R Lanham, 2014-10-19 A common complaint from many is that God never speaks to them They pray they argue they plead but God never responds Fortunately their complaint while common enough couldn't be further from the truth The truth is that God responds to every prayer every request and every cry or plea for help The problem is not on God's end The problem is one that lies squarely on our own two shoulders for we have forgotten how to listen for His Voice or more precisely His Voices and as a result we have lost the ability to hear and discern what He is trying to tell us He created us in His image and likeness and bestowed on us free will a notion that to our great detriment we have all too often taken as an unrestricted license to do all that we desire rather than what is the right and good thing to do what God desires for us to do Man's concupiscence his inclination to sin began almost before he took his first breath Ignoring for the moment the serious damage that sin does to our souls and to our relationship with God we must also consider how it affects our spiritual hearing Every time we sin we do damage to the spiritual cochlea of our soul Our ability to hear the tiny whispering sound of the LORD is diminished by the ever increasing overwhelming noise of sin The good news is that unlike the physical damage to our ears which often results in the permanent loss of hearing we can almost always regain any loss of spiritual hearing Certainly not without serious effort and persistence but with God's grace and the will to build a close personal relationship with Him anyone no matter how much the sinner can once again hear God's voice

**Hearing God in Conversation** Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

**God Talk** Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God's voice And many believers testify to God's conversational guidance in their life God told me to help you I knew

it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we re alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don t feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God s voice InGod TalkTucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don t hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God [Hearing God 30 Different Ways](#) Larry Kreider,2006 Are you listening You can hear God s voice every day and it s easier than you ever imagined The Lord speaks to us in ways we often miss He has many ways of speaking including through the Bible prayer circumstances spiritual gifts common sense wisdom conviction His character His peace natural things and even in times of silence Discover how God s voice becomes familiar to you as you develop a loving relationship with Him Take the next 30 days reading a chapter each day to explore 30 of the many ways God speaks Expect to be surprised **A Woman's Guide to Hearing God's Voice** Leighann McCoy,2013-07-15 An Accessible Introduction to Hearing the Voice of God in Times of Struggle God is speaking readers just need to learn how to listen This is especially true during times of trial or heartache when women need to be reassured that God has a plan In A Woman s Guide to Hearing God s Voice McCoy provides personal stories biblical narratives and wise insight to demonstrate how God is already active in every woman s life It s just a matter of knowing what to look for Women will not only be reassured of God s care they will be challenged to take hold of God when their faith is shaken Includes end of chapter discussion questions for personal or group use **Hearing God's Voice** Henry T. Blackaby,Richard Blackaby,2002-09-15 Based on classic Experiencing God principles Hearing God s Voice is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend **Hear God's Voice** Derek Prince,2020-12-15 Imagine a life in which you clearly hear God s voice and follow

His will daily Do you long for God to speak to you bringing guidance strength and comfort Perhaps you have been praying for a word from God but the heavens seem silent Nothing is more important than knowing how to hear from God because our spiritual life depends on it Without it we can't know and obey His will for us and we may go down the wrong path or miss His plans for us The Bible teaches and guides us in essential matters but instruction for God's specific daily purposes for our lives comes from His Holy Spirit who lives within us Being able to hear from God is a growing deepening process that leads us into His perfect plans Through his extensive study of the Scriptures and personal life experiences internationally renowned Bible teacher Derek Prince explains the practical steps you can take to hear from God develop a close relationship with Him remove obstacles to recognizing His voice and understand the ways in which He communicates Hearing God enables us to follow Him more confidently love Him more deeply and serve Him more completely As you cultivate the practice of hearing God's voice you will receive the fresh daily bread that nourishes you spiritually and find divine direction and strength for your ongoing walk with Him This is the lifestyle you have been waiting for hearing God's voice and following Him each day each step of the way Man shall not live by bread alone but by every word that proceeds from the mouth of God Matthew 4:4

**When Leadership and Spiritual Direction Meet** Gil W. Stafford, 2014-06-11 Modern church leaders need to cultivate innovative and creative leadership skills as they navigate today's post-Christian world and as their congregations look to them for insight and guidance Gil Stafford takes a fresh look at this vital need drawing upon his experience as a college coach university president and parish priest and interweaving them with ancient spiritual practices found within the discipline of spiritual direction Personal anecdotes help the reader envision their own life transforming pilgrimage as they develop into the type of adaptive leader that churches need in today's rapidly changing world This book challenges church leaders to foster sacred safe space holy listening silence and wisdom storytelling in order to create a discerning church community These techniques of spiritual direction can be applied to every aspect of the church from small group studies to conducting parish business Gradually the leader will be able to delegate some of his responsibilities to the congregation liberating them to be leaders and rescuing him from trying to be all things to all people [How to Hear God](#) Pete Greig, 2022-03-01 You were created to enjoy a real conversational relationship with God The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans When life falls apart we need God's comfort In moments of cultural turmoil we need his clarity Facing difficult decisions we need his guidance Desiring a deeper faith we need God to say something anything to turn the monologue we call prayer into a genuine conversation But how do we really hear God Nothing could possibly matter more than learning to discern his authentic voice and yet few things in life are more susceptible to delusion deception and downright abuse Having addressed God's silence in *God on Mute* and then *How to Pray* in his previous bestseller Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience *How to Hear God* Exploring the story of Christ's playful poignant conversation on

the road to Emmaus after his resurrection Pete draws deeply from the insights of a wide range of Christian traditions weaving together the evangelical emphasis on hearing God in the Bible and the charismatic commitment to hearing God in the prophetic with the contemplative understanding of God's still small voice within Pete transcends the Christian tribalism of our day rooting us in something far more ancient unchanging timeless What the early Christians called the Way This ancient form of Christianity is the antidote to much of the modern church's pain The cure for our ills John Mark Comer

*The Literary churchman* ,1880      **Breaking the Silence** Jane Boston,1997-08-01      **Hear God's Voice Clearly** Daniel Green,2022-01-05 God longs to talk with you face to face just as He did with Moses Why does God appear to be silent at times and not respond to your inquiries Would you like to receive immediate responses from God all the time Would you like to dialogue with God just like Moses Abraham Elijah Daniel and others did These men from Bible times are not uniquely qualified to talk with the Father On the contrary God desires to have personal conversations with you and all His children as well Some benefits from reading this book Discover what is preventing you from hearing God's voice all the time Receive immediate and comprehensive answers from God that will fully satisfy your soul Sit down with God face to face and have intimate conversations with Him anytime you desire God is desperately waiting at your heart's door wanting to strike up a conversation with you This practical easy to understand book will take about 45 minutes to read But the simple truths revealed inside will unleash the infinite depths of Heaven's wisdom to you as you begin to commune with the Heavenly Father every day Some sections in this book are taken from chapter six of my book Supernatural Wave of God's Presence I have expanded this edition to include practical instructions on How you can easily hear God's voice all the time      **You Can Live Above Your Problems** Rev. Chris Lekan Alawode,2015-08-21 In tough times we are more occupied with finding the way out of our situation and we are prone to feel as if God has abandoned us By that we usually ignore His word and prayer this is because most of our time is spent consulting our feelings instead of looking up to God for His direction This book You Can Live above Your Problems is intended to provide spiritual guideline and counsel with multiple biblical references to explore God's directives on your problems It enlightens you on how to cope when you're spinning on the Potter's wheel
