The Way To Go Portrait Of A Residential Hospice:

The Way to Go Marietta Pritchard, 2015-03-01 **The Hospice Experiment** Vincent Mor, David S. Greer, Robert Kastenbaum, 1988 Essays discuss the cost effectiveness of hospices hospice patients the design of the national study and the medical and social aspects of hospice care *Portrait Therapy* Susan Carr, 2017-09-21 This book explains the theory and practice of portrait therapy an original art therapy intervention It reveals how the intervention can be used to address a disrupted self identity which is common in people with life threatening or chronic illness and is characterised by statements like I m not the person I used to be **Modern Hospice Design** Ken Worpole, 2023-09-29 The new edition of this acclaimed book comprehensively updates its timely advocacy of the need for good quality palliative care today more necessary than ever Rooted in the social history of the care of the elderly and terminally ill **Modern Hospice Design The Architecture of Palliative and Social Care** takes cognisance of the new conditions of social care in the 21st century principally in the UK Europe and North America It does so with regard to the development of new building types but also in response to new philosophies of palliative care and the status of the elderly and the dying Benefitting from a clearer methodological approach and conceptual framework the expanded book allows a broad section of readers to navigate the text more easily At its core is a public discussion of a philosophy of design for providing care for the elderly and the vulnerable taking the importance of architectural aesthetics the use of quality materials the porousness of design to the wider world and the integration of indoor and outdoor spaces as part of the overall care environment In doing so it advocates care settings that in the words of Maggie Jencks whose life and ideas inspired the Maggie s Centres rise to the occasion Including new chapters and new in depth case studies complete with full colour illustrations this book is for architects and interior designers and their students healthcare professionals social care providers estate and facility managers hospital administrators and Healthcare Trust Boards
