Karen L. Bloomquist

The Westminster Handbook To Patristic Theology:

The Westminster Handbook to Patristic Theology John Anthony McGuckin, 2004-01-01 The early centuries of the Christian era were marked by a variety of theological ideas in differing stages of development. Numerous theologians emerged with proposals about what the Christian church should believe and how theological ideas related to each other. Some of these theologians gained more prominent status and their ideas became sources on which others built. Patristic theology is thus a formative period, a yeasty time in which theological doctrines took on many stages of complexity. This outstanding handbook by a leading specialist in Patristic Theology provides students and scholars with easy access to key terms, figures, socio-cultural developments and controversies of this period extending to the ninth century. McGuckin's introductory essay outlines the main intellectual issues in the early church. His concluding Bibliographic Guide, Essay and General Bibliography also features a Website Resources Guide to assist readers with additional ways to study this period. The entries are written to help those with no previous theological knowledge understand the major dimensions of each topic. The result is an eminently useful, reliable and unique resource.

The Westminster Handbook to Origen John Anthony McGuckin, 2004-01-01 This book provides ready access into and sure guidance through the marvelous, often convoluted, invariably rich world of Origen: the man, the ecclesiastical dynamics of his day, his extant works, the range of his theological explorations, his influence and the controversies associated with him in life and in death. Included are recommendations for use and clear presentation of topics which enable the reader, whether novice or specialist, to engage Origen in ways that address the reader's interest. The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians. These books are intended to help students and scholars find concise and accurate treatments of important theological terms.

The Orthodox Church John Anthony McGuckin, 2010-12-13 This important work offers the most comprehensive and up-to-date account of the Orthodox Church available, providing a detailed account of its historical development as well as exploring Orthodox theology and culture. Written by one of the leading Orthodox historians and theologians in the English-speaking world, it offers an in-depth engagement with the issues surrounding Orthodoxy's relationship to the modern world, including political, cultural and ethical debates. Considers the belief, tradition, spirituality, liturgical diversity and Biblical heritage of the Eastern Churches, their endurance of oppressions and totalitarianisms and their contemporary need to rediscover their voice and confidence in a new world order. Recipient of a CHOICE Outstanding Academic Title for 2009 award.

The Westminster Handbook to Medieval Theology James R. Ginther, 2009-01-01 The theologians and major thinkers of the medieval period developed their thought in complicated ways, giving rise to the term scholasticism, which was the method of learning associated with the great schools of the period. Theology was the center of thought and finding one's way through the many and complex theological ideas introduced during this era can be very difficult. This accessible reference work clarifies these ideas and provides an extensive

guide to the main theological features of medieval theology Author James Ginther provides clear and compelling discussions of major Christian thinkers sociocultural developments and key terms and concepts related to the period Both students and scholars will find this an eminently useful resource for the study of medieval theology

The Pericope of the Adulteress in Contemporary Research David Alan Black, Jacob N. Cerone, 2016-04-21 The contributors to this volume J D Punch Jennifer Knust Tommy Wasserman Chris Keith Maurice Robinson and Larry Hurtado re examine the Pericope Adulterae John 7 53 8 11 asking afresh the question of the paragraph s authenticity Each contributor not only presents the reader with arguments for or against the pericope s authenticity but also with viable theories on how and why the earliest extant manuscripts omit the passage Readers are encouraged to evaluate manuscript witnesses scribal tendencies patristic witnesses and internal evidence to assess the plausibility of each contributor s proposal Readers are presented with cutting edge research on the pericope from both scholarly camps those who argue for its originality and those who regard it as a later scribal interpolation In so doing the volume brings readers face to face with the most recent evidence and arguments several of which are made here for the first time with new evidence is brought to the table allowing readers to engage in the controversy and weigh the evidence for themselves

Jesus Christ for Contemporary Life Don Schweitzer, 2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer

A New History of African Christian Thought David Ngong, 2016-11-10 David Tonghou Ngong offers a comprehensive view of African Christian thought that includes North Africa in antiquity as well as Sub Saharan Africa from the period of colonial missionary activity to the present Challenging conventional colonial divisions of Africa A New History of African Christian Thought demonstrates that important continuities exist across the continent Chapters written by specialists in African Christian thought reflect the issues both ancient and modern in which Christian Africa has impacted the shape of Christian belief from the beginning of the movement up to the present day

Andrews University Seminary Studies Andrews University. Seventh-Day Adventist Theological Seminary, 2005 *Theological Studies* William James McGarry, John Courtney Murray, 2004 *The Encyclopedia of Eastern Orthodox Christianity: N-Z* John Anthony McGuckin, 2011 With a combination of essay length and short entries written by a team of leading religious experts the two

volume Encyclopedia of Eastern Orthodoxy offers the most comprehensive guide to the cultural and intellectual world of Eastern Orthodox Christianity available in English today from publisher description **The Journal of Ecclesiastical History** Clifford William Dugmore,2005 The Fathers of the Church ,2021 **The SCM Press A-Z of Patristic Theology** John Anthony McGuckin,2005 The SCM Press A Z of Patristic Theology offers a valuable resource to students of Church history and historical theology Combining accessibility with erudition the expansive essays neither assure prior knowledge of the field nor fall prey to the dangers of oversimplification A coherence of voice and vision is sustained largely due to the fact that this volume is the work of one author John Anthony McGuckin whose deep learnedness and passion for ancient Christianity is evidenced on every page Covering topics from East and West the range of reference is from architecture and its liturgical implications through to succinct explorations of persons councils and controversies definitions of faith doctrine and the Christian life Elenchus of Biblica ,2005 **The Fathers of the Church** Hubertus R. Drobner,2007 The Fathers of the Church A Comprehensive Introduction presents the most important authors and works of the early history of Christian literature Spanning the first seven hundred years of Christianity Hubertus R Drobner introduces writers such as Philo Origen Eusebius Jerome and Augustine among many others All of the authors are presented in their respective political social ecclesiastical and cultural contexts and are organized in terms of bibliographies editions English translations ancillary sources and relevant literature Jacket **Religion, Terrorism and Globalization** K. K. Kuriakose,2006 The culture of violence has gained a religious colouring in modern days With a destructive technological impetus the question arises Is there abuse of religious teachings Is there any religious basis for violence and war Then follow questions about the purpose of religion and the significance of concepts of peace and non violence As some find justification for war and violence in their religion an inquiry must be made about the influence of religious scriptures on peace Globalisation has had a varied impact on political social cultural and religious behavioural systems This landmark volume attempts to comprehend the concepts of non violence and peace within different religious and cultural traditions *Being the Church in the Midst of Empire* Karen L. Bloomquist,2007 Against the backdrop of a general sense of what empire entails the purpose of this book is to engage in some constructive theological reflection Empire refers to various interrelated processes of domination and their effects that are in tension with biblical visions for life in community There are countless effects and crucial ethical issues raised by empire especially in economic and political terms But it also poses deeply theological challenges because of how all encompassing empire becomes permeating how we think about ourselves and others our world our hopes and our desires This book presuppose that the publicly embodied identity or being of the church in the midst of empire is fundamentally rooted in the life of the Triune God From this Trinitarian perspective the writers develop theological responses that have the potential to counter transform and nurture long term reform of empire especially in and through communities of faith *A Public Faith* Ivor J. Davidson,2005 The second volume of the Baker History of the

Church this book covers the years AD 312 600 explaining how the church defended itself against unorthodox views and clarified its definition of Jesus Christ **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur**,2007 *Dynamis of Healing* Pia Sophia Chaudhari,2019-08-06 This book explores how traces of the energies and dynamics of Orthodox Christian theology and anthropology may be observed in the clinical work of depth psychology Looking to theology to express its own religious truths and to psychology to see whether these truth claims show up in healing modalities the author creatively engages both disciplines in order to highlight the possibilities for healing contained therein *Dynamis of Healing* elucidates how theology and psychology are by no means fundamentally at odds with each other but rather can work together in a beautiful and powerful synergia to address both the deepest needs and deepest desires of the human person for healing and flourishing

This is likewise one of the factors by obtaining the soft documents of this **The Westminster Handbook To Patristic Theology** by online. You might not require more time to spend to go to the ebook initiation as capably as search for them. In some cases, you likewise pull off not discover the pronouncement The Westminster Handbook To Patristic Theology that you are looking for. It will very squander the time.

However below, taking into consideration you visit this web page, it will be thus enormously easy to get as skillfully as download lead The Westminster Handbook To Patristic Theology
