The Whereabouts Of Eneas McNulty:

The Whereabouts of Eneas McNulty Sebastian Barry, 1999-08-01 Hailed by the San Francisco Chronicle as the finest book to come out of Europe this year The Whereabouts of Eneas McNulty is acclaimed Irish playwright Sebastian Barry's lyrical tale of a fugitive everyman Sebastian Barry's latest novel Days Without End is now available For Eneas McNulty a happy innocent childhood in County Sligo in the early 1900s gives way to an Ireland wracked by violence and conflict Unable to find work in the depressed times after World War I Eneas joins the British led police force the Royal Irish Constabulary a decision that alters the course of his life Branded a traitor by Irish nationalists and pursued by IRA hitmen Eneas is forced to flee his homeland his family and Viv the woman he loves His wandering terminates on the Isle of Dogs a haven for sailors where a lifetime of loss is redeemed by a final act of generosity The Whereabouts of Eneas McNulty is the story of a lost man and a compelling saga that illuminates Ireland's complex history

Sub-versions Ciaran Ross, 2010 From Swift's repulsive shit flinging Yahoos to Beckett's dying but never quite dead moribunds Irish literature has long been perceived as being synonymous with subversion and all forms of subversiveness But what constitutes a subversive text or a subversive writer in twenty first century Ireland The essays in this volume set out to redefine and rethink the subversive potential of modern Irish literature Crossing three central genres one common denominator running through these essays whether dealing with canonical writers like Yeats Beckett and Flann O'Brien or lesser known contemporary writers like Sebastian Barry or Robert McLiam Wilson is the continual questioning of Irish identity Irishness going from its colonial paradigm and stereotype of the subaltern in MacGill to its uneasy implications for gender representation in the contemporary novel and the contemporary drama A subsidiary theme inextricably linked to the identity problematic is that of exile and its radical heritage for all Irish writing irrespective of its different genres Sub Versions offers a cross cultural and trans national response to the expanding interest in Irish and postcolonial studies by bringing together specialists from different national cultures and scholarly contexts Ireland Britain France and Central Europe The order of the essays is by genre This study is aimed both at the general literary reader and anyone particularly interested in Irish Studies

Out of History Christina Hunt Mahony, 2006 The essays address Barry's engagement with the contemporary cultural debate on Ireland and also with issues that inform postcolonial critical theory Jacket

Haunted historiographies Matthew Schultz, 2016-05-16 The spectres of history haunt Irish fiction In this compelling study Matthew Schultz maps these rhetorical hauntings across a wide range of postcolonial Irish novels and defines the spectre as a non present presence that simultaneously symbolises and analyses an overlapping of Irish myth and Irish history By exploring this exchange between literary discourse and historical events Haunted historiographies provides literary historians and cultural critics with a theory of the spectre that exposes the various complex ways in which novelists remember represent and reinvent historical narrative It juxtaposes canonical and non canonical novels that complicate long held assumptions about four definitive events in modern Irish history the Great Famine the Irish

Revolution the Second World War and the Northern Irish Troubles to demonstrate how historiographical Irish fiction from James Joyce and Samuel Beckett to Roddy Doyle and Sebastian Barry is both a product of Ireland's colonial history and also the rhetorical means by which a post colonial culture has emerged **Reflections On How We Live** Annette

Studia Litteraria Universitatis Iagellonicae Cracoviensis vol. 6 (2011), **Trauma and Dissociation in the Works and Life of Sebastian Barry** Niko Pomakis, 2021-01-12 Can language and literature cure psychological trauma If so what forms do they have to take in doing so When does language hit the wall where the unspeakable mandates silence And where might literature come in as the rescuing hand by offering forms of expression which are rooted in speech but transcend the merely spoken This study confronts these issues through the double lenses of Sebastian Barry's oeuvre and the complex of dissociative disorders that are at work both in his creative output and the ways in which he fictionalizes dark and traumatic biographical data Dr Niko Pomakis has studied Philosophy and English at the Friedrich Alexander University Erlangen Nuremberg FAU and University College Dublin He earned his PhD in English Literature at the FAU Erlangen Nuremberg

The Irish War of Independence and Civil War John Gibney, 2020-05-30 An in-depth look at how the Irish Free State was born from a variety of perspectives In the aftermath of the First World War a political revolution took place in what was then the United Kingdom Such upheavals were common in postwar Europe as new states came into being and new borders were forged What made the revolution in the UK distinctive is that it took place within one of the victorious powers rather than any of their defeated enemies In the years after the Easter Rising of 1916 in Ireland a new independence movement had emerged and in 1918-19 the political party Sinn Féin and its paramilitary partner the Irish Republican Army began a political

struggle and an armed uprising against British rule By 1922 the United Kingdom had lost a very substantial portion of its territory as the Irish Free State came into being amid a brutal civil war At the same time Ireland was partitioned and a new unionist government was established in what was now Northern Ireland These were outcomes that nobody could have predicted before 1914 In The Irish War of Independence and Civil War experts on the subject explore the experience and consequences of the latter phases of the Irish revolution from a wide range of perspectives

The Oxford Handbook of Modern Irish Fiction Liam Harte, 2020-10-15 The Oxford Handbook of Modern Irish Fiction presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland's small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary historical contexts The Handbook's coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women's fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O'Brien and Mairéad Ní Cadhain the fate of the realist and modernist traditions in the work of Elizabeth Bowen Frank O'Connor Seán O'Faoláin and Mary Lavin and in that of their ambivalent heirs Edna O'Brien John McGahern and John Banville the subversive treatment of sexuality and gender in Northern Irish women's fiction written during and after the Troubles the often neglected genres of Irish crime fiction science fiction and fiction for children the many hued novelistic responses to the experiences of famine revolution and emigration and the variety and vibrancy of post millennial fiction from both parts of Ireland Readably written and employing a wealth of original research The Oxford Handbook of Modern Irish Fiction illuminates a distinguished literary tradition that has altered the shape of world literature

Literature and Ethics Daniel K. Jernigan, 2009 Literature and Ethics covers a wide gamut of literary periods and genres including essays on Victorian literature and modernism as well as several studies on narrative but the central ethos emerges from considerations of issues of responsibility and irresponsibility as they find expression in literary study and in ethics Students and academics who are interested in literary theory ethics narrative form and issues of authorial responsibility and how such matters inform the reading of literary texts will find that this collection offers a wide array of approaches and viewpoints by major figures from the relevant sub disciplines in literary studies The collection offers much timely critical observation on a variety of contemporary authors but also provides critically adventurous commentaries on Victorian literature and on Indian African Irish and Australian literature The volume assembles a collection of essays that would illustrate the great diversity of methods by which considerations of responsibility can and do offer insight into a range of literary texts and theoretical discourses while also making a contribution to the philosophical

question of responsibility and irresponsibility in the contemporary world The collection as a whole testifies to the human fascination with issues of responsibility just as it testifies to the necessity of posing questions of responsibility as questions of ethics and literature the necessity of recognizing in other words that responsibility names a concept whose only ground is the history of those fictional narratives of responsibility and irresponsibility that modern civilization would do well to continue inventing and reflecting upon critically So whether ethical discourses find expression in theoretical debate or in and through the sophisticated fictions that constitute an imaginative culture what is clear both from wider discussions related to the value of literary texts that are such a central part of contemporary literary studies and from the varied and nuanced arguments that are made in this collection is that questions of responsibility are central to literature philosophy and the arts just as they are to the social realities that spawned them in the first place Literature and Ethics is an important book for all literature and literary theory collections It has specific resonance for students and teachers who are interested in the value of literary study and in questions of ethics and narrative

Everyday Violence in the Irish Civil War Gemma Clark, 2014-04-21 Everyday Violence in the Irish Civil War presents an innovative study of violence perpetrated by and against non combatants during the Irish Civil War 1922-3 Drawing from victim accounts of wartime injury as recorded in compensation claims Dr Gemma Clark sheds new light on hundreds of previously neglected episodes of violence and intimidation ranging from arson boycott and animal maiming to assault murder and sexual violence that transpired amongst soldiers civilians and revolutionaries throughout the period of conflict The author shows us how these micro level acts particularly in the counties of Limerick Tipperary and Waterford served as an attempt to persecute and purge religious and political minorities and to force redistribution of land Clark also assesses the international significance of the war comparing the cruel yet arguably restrained violence that occurred in Ireland with the brutality unleashed in other European conflict zones
