The Palgrave Handbook to Horror Literature Kevin Corstorphine, Laura R. Kremmel, 2018-11-07. This handbook examines the use of horror in storytelling from oral traditions through folklore and fairy tales to contemporary horror fiction. Divided into sections that explore the origins and evolution of horror fiction, the recurrent themes that can be seen in horror, and ways of understanding horror through literary and cultural theory, the text analyses why horror is so compelling and how we should interpret its presence in literature. Chapters explore historical horror aspects including ancient mythology, medieval writing, drama, chapbooks, the Gothic novel, and literary Modernism, and trace themes such as vampires, children, and animals in horror, deep dark forests, labyrinths, disability, and imperialism. Considering horror via postmodern theory, evolutionary psychology, postcolonial theory, and New Materialism, this handbook investigates issues of gender and sexuality, race, censorship, and morality, environmental studies, and literary versus popular fiction.

Unsilencing Slavery Celia E. Naylor, 2022-07. Popular references to the Rose Hall Great House in Jamaica often focus on the legend of the White Witch of Rose Hall. Over one hundred thousand people visit this plantation every year, many hoping to catch a glimpse of Annie Palmer's ghost. After experiencing this tour with her daughter in 2013 and leaving Jamaica haunted by the silences of the tour, Celia E. Naylor resolved to write a history of Rose Hall about those people who actually had a right to haunt this place of terror and trauma: the enslaved. Naylor deftly guides us through a strikingly different Rose Hall. She introduces readers to the silences of the archives and unearths the names and experiences of the enslaved at Rose Hall in the decades immediately before the abolition of slavery in Jamaica. She then offers a careful reading of Herbert G. de Lisser's 1929 novel *The White Witch of Rosehall*, which gave rise to the myth of the White Witch, and a critical analysis of the current tours at Rose Hall Great House. Naylor's interdisciplinary examination engages different modes of history-making: history-telling and truth-telling to excavate the lives of enslaved people, highlighting enslaved women as they navigated the violences of the Jamaican slavocracy and plantationscape. Moving beyond the legend, she examines iterations of the afterlives of slavery in the

ongoing construction of slavery museums memorializations and movements for Black lives and the enduring case for Black humanity Alongside her book she has created a website as another way for readers to explore the truths of Rose Hall
