Peters,2015-06-25 Excerpt from Wit and Wisdom of the Talmud While gathering the facts for Justice to the Jew I chanced upon so many wise proverbs witty sayings beautiful parables and quaint legends of the Talmud that I became intensely interested in this remarkable literary production of antiquity In its twelve folio volumes it embodies the mental labors of the ancient Jewish teachers during the period of about eight hundred years After a lecture at a Western university by a well known Rabbi one of his hearers went to him and said I came to hear The Talmud in order to know what kind of mud it is confessing his utter ignorance as to the very name Talmud Study from lamad to learn I once asked one of the most brilliantly gifted preachers in New York if he had ever read anything from the Talmud About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Wit & Wisdom of the Talmud* George J.
