combines Herb Greenberg's inspiring story with insights and practical ideas that can help you become the leader you were meant to be. Herb, who lost his sight at the age of ten, has been able to see that which many of us inadvertently overlook, which is our own potential and the potential of those around us. You'll also learn a three-step action approach to seeing and tapping into your leadership potential and that of your entire organization. You'll then find out how to make connections between your strengths as a leader, the potential of your team, and a world of new possibilities.

Patrick Sweeney is a New York Times bestselling author and speaker who has engaged audiences around the world on how to recognize and develop their true potential. Herb Greenberg, Ph.D., is the founder and CEO of Caliper Consulting, an international management consulting firm that has assessed the potential of more than 3 million applicants and employees for over 25,000 companies around the world for over 50 years.

Your Hidden Genius Betsy Wills, Alex Ellison, 2025-01-21

It's time to discover your hidden genius and embrace your life's work. Featuring access to the innovative YouScience aptitude assessment, *Your Hidden Genius* reveals your innate talents, interests, and personality traits along with the infinite paths that can lead to your utmost happiness, career success, and personal fulfillment. If happiness, success, and fulfillment are your intended destinations in life, and who doesn't want those? *Your Hidden Genius* is your express lane ticket. Adam Taggart, entrepreneur, president and cofounder, Peak Prosperity, and author of *Finding Your Way to Your Authentic Career*. Do you love brainstorming sessions and juggling multiple assignments, or are you happiest when you are given space to concentrate on a single mission? Are you a three-dimensional thinker who enjoys tangible projects, or are you more at home solving abstract puzzles? Would you say you are a social butterfly who talks to everyone, or someone who prefers a quiet, focused group to large crowds? *Your Hidden Genius* provides a custom-made road map to what makes you special, revealing your distinct combination of natural talents, interests, and personality traits, a mix as unique to you as your fingerprint. With the instant appeal of Enneagrams and Strengthsfinder, *Your Hidden Genius* instead focuses on scientific testing rather than self-reported answers as a means to unlock your potential. Included in the book is access to the groundbreaking YouScience aptitude assessment, a series of gamelike exercises that distill the science of aptitude measurement into a ninety-minute online experience, then pairs your results with its robust and proprietary career database. You'll uncover new opportunities for work and leisure that suit both your interests and your talents. Betsy Wills, cofounder of YouScience and a pioneer in aptitude awareness and expert career coach, Alex Ellison, joined forces to write this essential life and career guide based on this cutting-edge assessment and take a deep dive into different aptitude profiles and in-depth context for how to interpret your results. Whether you're just starting out or pivoting mid-career, *Your Hidden Genius* will guide you through today's complex and shifting professional landscape and be your indispensable resource through every twist and turn of the road. With science-backed results, real-life stories, and rare insight into you, *Your Hidden Genius* explains why self-awareness is the most important step toward a fulfilling and meaningful life.
