Unholy Hungers Encountering The Psychic Vampire In Ourselves Others:

Unholy Hungers Barbara E. Hort,1996-06-18 Vampires are not just imaginary creatures of fiction or legend they really exist They are the people who having never received love settle for power instead and become experts at robbing others of their vital energy We ve all known them In her fascinating study of this dark psychological archetype Barbara Hort looks to traditional myths as well as to their modern equivalents in literature theater and film following a blood soaked trail to such unexpected destinations as The Silence of the Lambs Snow White and the Broadway musical Gypsy She offers insight into how psychic vampires originate how we allow ourselves to be caught in their clutches and how we can protect ourselves from their seductive influence *The Palgrave Handbook of the Vampire* Simon Bacon,2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story **Unholy**

Hungers Barbara E. Hort,1996-06-18 Psychic vampires are people who having never received love settle for power and become experts at robbing other people of theirs figuratively sucking their blood In this the first book length treatment of the vampire archetype Barbara Holt breaks new ground in analyzing how these vampiric people originate how they operate how we play into their traps and how we can break free of their seductive power *The Vampire Book* J Gordon Melton,2010-09-01 The Ultimate Collection of Vampire Facts and Fiction From Vlad the Impaler to Barnabas Collins to Edward Cullen to Dracula and Bill Compton renowned religion expert and fearless vampire authority J Gordon Melton PhD takes the reader on a vast alphabetic tour of the psychosexual macabre world of the blood sucking undead Digging deep into the lore myths pop culture and reported realities of vampires and vampire legends from across the globe The Vampire Book The Encyclopedia of the Undead exposes everything about the blood thirsty predator Death and immortality sexual prowess and surrender intimacy and alienation rebellion and temptation The allure of the vampire is eternal and The Vampire Book explores it all The historical literary mythological biographical and popular aspects of one of the world s most mesmerizing paranormal subject This vast reference is an alphabetical tour of the psychosexual macabre world of the soul sucking undead In the first fully revised and updated edition in a decade Dr J Gordon Melton president of the American chapter of the Transylvania Society of Dracula bites even deeper into vampire lore myths reported realities and legends that come from all around the world From Transylvania to plague infested Europe to Nostradamus and from modern literature to movies and TV series this exhaustive guide furnishes more than 500 essays to quench your thirst for facts biographies definitions and more

The Complete Idiot's Guide to Vampires Jay Stevenson,2009-01-21 Vampires are the hottest topic in popular culture today From the now classic novels of Anne Rice to the mega selling series by Stephanie Meyer to the hit HBO series True

Blood based on the bestselling novels of Charlaine Harris the undead are certainly not dead in terms of books sales Now those curious about the history and lore of these creatures can get up to speed in the refreshed edition of The Complete Idiot's Guide to Vampires It provides a detailed explanation of the origins of vampires and insight into the fascination they hold in literature and belief Complete history and origins of this mythic creature An explanation of the various rules that vampires exist by A lively and exhaustive literary discussion of vampires and their importance in fiction

Metamorphoses of the Vampire in Literature and Film Erik Butler, 2010 For the last three hundred years fictions of the vampire have fed off anxieties about cultural continuity Though commonly represented as a parasitic aggressor from without the vampire is in fact a native of Europe and its metamorphoses to quote Baudelaire a distorted image of social transformation Because the vampire grows strong whenever and wherever traditions weaken its representations have multiplied with every political economic and technological revolution from the eighteenth century on Today in the age of globalization vampire fictions are more virulent than ever and the monster enjoys hunting grounds as vast as the international market Metamorphoses of the Vampire explains why representations of vampirism began in the eighteenth century flourished in the nineteenth and came to eclipse nearly all other forms of monstrosity in the early twentieth century Many of the works by French and German authors discussed here have never been presented to students and scholars in the English speaking world While there are many excellent studies that examine Victorian vampires the undead in cinema contemporary vampire fictions and the vampire in folklore until now no work has attempted to account for the unifying logic that underlies the vampire's many and often apparently contradictory forms Erik Butler holds a PhD from Yale University and has taught at Emory University and Swarthmore College His publications include The Bellum Gramaticale and the Rise of European Literature 2010 and a translation with commentary of Regrowth Vidervuks by the Soviet Jewish author Der Nister 2011

Vampire Legends in Contemporary American Culture William Patrick Day, 2021-02-15 While vampire stories have been part of popular culture since the beginning of the nineteenth century it has been in recent decades that they have become a central part of American culture Vampire Legends in Contemporary American Culture looks at how vampire stories from Bram Stoker's Dracula to Blacula from Bela Lugosi's films to Love at First Bite have become part of our ongoing debate about what it means to be human William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity as well as how many post modern vampire stories reflect our fear and attraction to stories of addiction and violence He argues that contemporary stories use the character of Dracula to explore modern values and that stories of vampire slayers such as the popular television series Buffy the Vampire Slayer integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story

Building a Magical Relationship Cynthia Jane Collins, Jane Raeburn, 2002 Here is a thoughtful and honest relationship guide that combines real world expertise with spiritual and magical principles of Wicca and Pagan religions employing an eclectic mix of ancient

mythology modern psychology and spiritual empowerment spells to help readers build loving lasting bonds The Wiccan Circle offers readers a template for a successful union with one principle for each of the four cardinal directions Equality Consensus Honesty Freedom and one Balance for the center Because every relationship is unique a variety of partnerings are considered and celebrated without judgment or bias from same sex couples to traditional marriage and Pagan handfastings to multi partner relationships Vampires Today Joseph P. Laycock,2009-05-14 This book about real vampires and the communities they have formed explores the modern world of vampirism in all its amazing variety Long before Dracula people were fascinated by vampires The interest has continued in more recent times with Anne Rice s Lestat novels Buffy the Vampire Slayer the HBO series True Blood and the immensely popular Twilight But vampires are not just the stuff of folklore and fiction Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists In Vampires Today The Truth about Modern Vampirism Joseph Laycock argues that today s vampires are best understood as an identity group and that vampirism has caused a profound change in how individuals choose to define themselves As vampires come out of the coffin as followers of a religion or lifestyle or as people biologically distinct from other humans their confrontation with mainstream society will raise questions as it does here about how we define normal and what it means to be human **Proteus** ,2009 Bibliographic Guide to Psychology New York Public Library. Research Libraries,1999 **Exceptional Human Experience** ,1996 *Invasión y colaboracionismo* Nelson Ñustes,2010 **American Book Publishing Record** ,1996-05 **The Ethical Psychic Vampire: A Guide to Living in Harmony with Others** Pasquale De Marco,2025-05-10 The Ethical Psychic Vampire A Guide to Living in Harmony with Others is the definitive guide to psychic vampirism It covers everything from the basics of psychic vampirism to the different types of psychic vampires It also provides practical advice on how to protect yourself from psychic vampires and how to cope with the effects of psychic vampirism Whether you are a psychic vampire or someone who has been affected by psychic vampirism this book can help you It is a valuable resource that can help you understand psychic vampirism and its effects Pasquale De Marco is a leading expert on psychic vampirism He has written extensively on the subject and has helped thousands of people understand and cope with psychic vampirism In The Ethical Psychic Vampire A Guide to Living in Harmony with Others Pasquale De Marco provides a comprehensive overview of psychic vampirism He discusses the different types of psychic vampires the causes of psychic vampirism and the effects of psychic vampirism He also provides practical advice on how to protect yourself from psychic vampires and how to cope with the effects of psychic vampirism The Ethical Psychic Vampire A Guide to Living in Harmony with Others is an essential resource for anyone who wants to understand psychic vampirism It is a well written and informative book that provides practical advice on how to protect yourself from psychic vampires and how to cope with the effects of psychic vampirism If you are interested in learning more
