

DISCUSSION - Assignment 1

Task 11

What three communication processes take place when the family goes to church and what effects, pros and cons may be there?

1. **Spoken Communication:** During the church service, language is used to convey religious beliefs and values. This includes the pastor's sermon, prayers, hymns, and the reading of scriptures. The spoken word is a powerful tool for conveying religious teachings and inspiring faith.
2. **Visual Communication:** Church services often involve visual elements such as the altar, candles, stained glass windows, and the presence of the clergy. These visual cues can enhance the spiritual atmosphere and reinforce the religious message.
3. **Nonverbal Communication:** Church services also involve nonverbal communication, such as the posture of the congregation, the tone of voice of the pastor, and the use of music. These nonverbal cues can convey a sense of reverence, awe, and community.
