His Voice Rima Pande,2021-07 Agastya Raj has a stroke that leaves him paralyzed from the neck down and unable to speak As he lies in bed enveloped by a circle of love and care orchestrated by his wife Khushi he shares with us the tumultuous thoughts that swirl in his mind In this fictionalized narrative Rima Pande immerses herself in her father s consciousness to become his voice bringing to you the story of her parents her father s illness and her powerful giving mother His Voice is a sensitive portrayal of deep family roots and often unspoken bonds across four generations With plenty of little twists in between that will make you nod and smile

The Secret Life of Another Indian Nationalism Shail Mayaram,2022-06-16 Nationalism is among the most influential ideas that has shaped the Metamorphoses of the Political in the long twentieth century This book focuses on exclusivist Indian nationalism and identifies its distinction from inclusivist nationalism It highlights shifts in another Indian nationalism over the last two centuries as the geopolitical context has transitioned from the Pax Britannica to the Pax Americana and its war on terror The books braids the following three strands together first a majoritarian nationalist ideology called Hindutva second the making of popular history as a precolonial epic is highlighted depicting the defeat of the last Hindu Emperor by a conquering Muslim Sultan purportedly leading to eight centuries of Hindu enslavement and third the reconversion of a community by the Visva Hindu Parishad with consequences for Lived Hinduism and Indic civilisation with its complex identities

JOURNEY OF A MASTER Nancy Patchen,2023-01-21 For over forty years Swami Chinmayananda was one of the leading interpreters and teachers of the

Hindu philosophical system of Advaita Vedanta which establishes with exact logic the identity of the self Atman with the infinite Brahman Through a variety of institutions and methods particularly the j na yaj as rituals of truth he worked to rejuvenate Hinduism by making hitherto inaccessible insights of the Upanishads and the Bhagavad gita available to masses Thereby he was instrumental in bringing the wisdom of the Hindu heritage to everyone regardless of caste creed gender religion or nationality This is the first biography of Swami Chinmayananda and retraces his journey from his childhood in Kerala through his carefree college days and rebellion against British imperialism then his spiritual tutelage under Swami Shivananda and Swami Tapovanam An account is given detailing the growth of a worldwide movement under his guidance Included are conversations with him on different subjects that demonstrate his sharp intellect deep wisdom and quick wit He is undoubtedly one of the outstanding and influential figures in the modern history of India *Nectar #2* Babaji Bob Kindler, Lex Hixon, Ramprasad Sen, Shaykha Fariha Friedrich, 2001-11-05 Our second issue of Nectar focuses on a natural synthesis of universal and nondual themes a stance inherent in our publication which brought comments and questions from scholarly circles How can a journal call itself universal yet profess the nondual way Philosophies that adhere to both dualistic forms of worship and qualified nondualistic pathways can claim to be universal in nature too This of course is true needing little mention but two things of import emerged from this question and the dialogue that ensued First the SRV view particularly emphasizes the nondual approach over concentration upon or fascination with the many and does so while insisting that the essence of oneness pervades all approaches Second by the term nondual or advaita we mean the principle of inherent oneness that permeates all of existence by way of direct experience neither limited to the path of monism or even restricted to the way of Advaita as a philosophy of dialectics alone Prabuddha Bharata, Or, Awakened India ,1944
